NEW MEXICO MORTGAGE FINANCE AUTHORITY
DRAFT Board Meeting Minutes
Inn and Spa at Loretto, 211 Old Santa Fe Trail, Santa Fe, NM
Wednesday, January 15, 2020 at 9:30 a.m.

Chair Reyes convened the meeting on January 15, 2020 at 9:38 a.m. Secretary Hernandez called the roll. Members present: Chair Angel Reyes, Sally Malavé (designee for Attorney General Hector Balderas), Lt. Governor Howie Morales, Treasurer Tim Eichenberg Derek Valdo, Randy McMillan and Rebecca Wurzburger. Absent: none. Hernandez informed the Board that everyone had been informed about today’s meeting in accordance with the New Mexico Open Meetings Act.

Chair Reyes asked that we take a moment of silence for former member Steven Smith who passed away on December 20, 2019. Our thoughts and prayers go out to Dolly and his family. He provided the date and time of the services for those who wished to attend.

Chair Reyes thanked the guests for attending and informed them of the recorder sensitivity stating that it would pick up background conversations.

Approval of Agenda - Board Action. Motion to approve the January 15, 2020 Board agenda as presented: Wurzburger. Second: Malavé. Vote: 7-0.

Approval of 12/18/19 Board Meeting Minutes – Board Action. Motion to approve the 12/18/19 Board meeting minutes as presented: Malavé. Second: Wurzburger. Vote: 7-0.

Chair Reyes welcomed and introduced Mayor Alan Webber.

The Honorable Alan Webber, Mayor, City of Santa Fe welcomed the Board and staff to the City of Santa Fe. The Mayor thanked MFA for their partnership stating how important MFA is to the city’s agenda. The city looks to MFA as one of the most significant partners in meeting one of its highest priorities. Housing is the most significant factor in determining the wellbeing of families, young people, homelessness and affordable housing. The city has developed an agenda in which they are working on with the real estate/lending community. The Mayor spoke of the city’s plans for an economic environment, overall growth and meeting the plans to meet the housing shortage. Again, he thanked MFA for being the best partner and for being in Santa Fe.

Chair Reyes welcomed and introduced Rebecca Velarde, Director of Policy & Planning MFA.

Velarde gave an overview of New Mexico’s affordable housing needs. She informed the Board that New Mexico is the fifth largest state in the United States in terms of land, but we only have a population of just over 2 million. Two-thirds of the state’s population are in one of New Mexico’s four metropolitan statistical areas, which include Farmington, Santa Fe, Albuquerque and Las Cruces. In terms of population growth, there is a big discrepancy between urban areas and rural areas. While urban areas are generally growing, many rural areas are seeing a decline in population. She referenced some general demographic data and trends that provide a context to the New Mexico housing market and have affected affordability. She then reviewed specific housing affordability data for the State. Finally, she discussed the Santa Fe housing market more specifically to see some of the data behind the Mayors comments. She concluded her presentation by stating that MFA updates its Housing Needs Assessment on an annual basis, and we are currently doing so for data recently released in December 2019. We are also looking at expanding our assessment to include additional data, such as data on homelessness and data on a city or census tract level. We look forward to sharing with you the new data once this report is finalized.

Chair Reyes welcomed and introduced Steve Anaya, Chief Executive New Mexico Association of REALTORS®.

Anaya thanked MFA’s Board for the opportunity to address them. Anaya reviewed a PowerPoint presentation on the Housing Market Conditions in New Mexico. This presentation included information on New Mexico’s economy, job growth, wage growth, mortgage rate trends, home price changes, permitting trends and population
changes. In addition, he handed out a report produced by the New Mexico Association of Realtors® from January to December 2019. He discussed the REALTORS® Association of New Mexico’s legislative agenda for the 2020 session as well as upcoming federal legislation. Anaya stated that the housing industry continues to play a strong role in the economy.

Chair Reyes welcomed and introduced John Anderson, Government Relations Consultant.

John Anderson stated that he thought today’s presentations were a wakeup call with regards to where we are and where we were headed. He stated that it is a hard time to be a legislator right now. There are so many needs and so many programs that need to be funded and so much uncertainty. He referenced the LFC’s 3 volume report on revenue forecast – and referred to the budget. He reminded the Board that last year was very successful for MFA. He talked about strategies for the upcoming session, stating this year there is a very generous budget and spoke to the Governor’s priorities. He talked about the great relationship we have with staff at LFC and how helpful they’ve been to us. Anderson recommended that if anyone has time - go to the legislative website and read volume 1 – the forecast; which he read a couple of excerpts from. He further referenced the man camps in Carlsbad and the challenges with the population growth and housing and infrastructure needs. He is looking forward to a great report following the legislative session.

Chair Reyes thanked all the presenters for their time and presentations.

Finance Committee

1  9/30/19 Report of Independent Auditors, Financial Statements and Supplemental Schedules (Clifton, Larson, Allen (CLA) - Mandy Merchant & Gina Hickman). Merchant thanked the Board for the opportunity to present the final results of the audit on behalf of MFA as of September 30, 2019. She began by commenting that this is their first audit with MFA, providing background on CLA and who the engagement team consisted of. She explained that as part of the review she would cover the following: auditor’s report, management discussion and analysis, financial statements and footnotes, supplementary information and the single audit reports. These items are located behind tab one and will be a part of the official Board packet. MFA received unmodified opinions on all reports issued. Merchant further reported that there were no significant deficiencies, and no material weakness noted. She reviewed the other programs audited including the Single Audit of federal awards, which included the HOME Investment Partnerships Program, ARRA-Tax Credit Assistance Program and Ginnie Mae MBS Program. She reported that there were no single Audit findings and no Financial Statement findings. She also referred to the Auditor Communication Letter. She expressed her gratitude stating that it was a wonderful experience to walk into an agency with such sophistication, for us to get through such a clean audit our first year. She again thanked staff, Board members and congratulated Izzy on his promotion stating she is looking forward to the next audit. Reyes commended Gina, Yvonne, staff and the Board for the time and effort put into the audit, stating it is such a positive reflection of the operational efficiency of the organization. Chair Reyes further stated he has been fortunate to see many audits including different auditors, along with joint audits with the State Auditor’s Office, and the results are always the same; unqualified opinion, no adjustments, no material findings, and very complimentary statements of the staff. He thanked CLA for their work. Motion to approve the 9/30/19 Report of Independent Auditors, Financial Statements and Supplemental Schedules as presented: Eichenberg. Second: Valdo. Vote: 7-0.

2 Policies and Procedures Manual Revisions (Gina Hickman). Hickman informed the Board that at least annually and as needed, MFA staff reviews and updates the Policies and Procedures Manual. The Policies and Procedures Manual is revised as needed for changes related to compliance, audit findings, clarifications and changes in general practices or policies. General Counsel reviews the manual at least every other year; last year a full review was conducted. This year General Counsel focused on the code of conduct section of the manual. The proposed changes are included in the redline document, located behind tab two, which will be made a part of the official Board packet. These updates have been incorporated into the manual. Hickman stated that many of the changes being proposed in this revision are minor in nature. She discussed the more substantive changes located behind tab two, which will become a part of the official Board packet.
Motion to approve the Policies and Procedures Manual Revisions as recommended: Malavé. Second: Wurzburger. Vote: 7-0.

3 Delegations of Authority Revisions (Gina Hickman). Hickman stated that the Delegations of Authority is updated annually or on an as needed basis. She explained that the Delegations of Authority is Exhibit E in the Policies and Procedures and is always presented as a separate item for discussion. The Delegations of Authority details the MFA review and approval process. Hickman discussed the proposed changes included in the redline document, located behind tab three, which will be made a part of the official Board packet. Motion to approve the Delegations of Authority Revisions as recommended. Wurzburger. Second: Morales. Vote: 7-0.

Other

4 Election of Officers/Secretary (Chair Reyes). Chair Reyes and the Nominating Committee; which consists of Lieutenant Governor Howie Morales, Attorney General Hector Balderas and himself make the following recommendation to fill the vacant MFA Officer Positions of Secretary. The recommendation is for Executive Director Izzy Hernandez to serve as Secretary. Motion to approve the vacant officer positions of MFA Secretary to Izzy Hernandez as recommended: Malavé. Second: Morales. Vote: 7-0.

5 Section 811 Project Rental Assistance Program Grant Opportunity (Sabrina Su). Su began by stating that this item before the Board is a recommendation to allow MFA to submit an application for up to $4.6 million in Section 811 Project Rental Assistance (PRA) Program funds from the U.S. Department of Housing and Urban Development (HUD), which would expand MFA’s existing Section 811 PRA Program in which we were awarded over $2.2mm in 2015. The Section 811 PRA program provides project-based rental assistance to extremely low-income households that include at least one person with a disability who is between the ages of 18 and 62. This rental assistance covers the difference between the household’s affordable payment and the property’s contract rent. She provided further background information as listed in the memo located behind tab five, which will become a part of the official Board packet. Su informed the Board MFA and the State’s Human Services Department (HSD) would enter into a new Interagency Partnership Agreement for these funds, which would be similar to the existing agreement between the two entities, with similar roles and responsibilities. Applications are due on February 10, 2020, and awards are expected to be announced in late spring/early summer 2020. Given that HUD will not announce awards until late spring of 2020 at the earliest, MFA would market the program primarily to prospective 2021 LIHTC applicants, who may see the Section 811 PRA program as an incentive to develop a project that will set aside units for households with Special Needs as defined under the LIHTC program. Thus, most of the projected 60 units would not be ready for lease-up until 2023. MFA would also market the program to 2019 and 2020 LIHTC awardees, as well as to non-LIHTC projects seeking financing under MFA’s National Housing Trust Fund program, which targets extremely low-income households. Motion to approve the Section 811 Project Rental Assistance Program Grant Opportunity request as recommended: Wurzburger. Second: Malavé. Vote: 7-0.

Legend:

Positive Trend | Caution | Negative Trend | Known Trend/Immaterial
SUMMARY OF NEW BOND ISSUES:
Single Family Issues: $120.0 mm 2019 Series F Bonds-New Money (November)
Multi-Family Issues: None

SIGNIFICANT MONTHLY FINANCIAL VARIANCES:
- Due to decreases in mortgage rates, prepayments are trending higher than last year.
- Incurred approximately $1 million in cost of issuance for 2019 Series F; majority of the expense was paid for through bond premium.
- Due to market conditions the State Investment Council General Fund portfolio is experiencing significant fair market value gains in comparision to last year at this same time. Valuations have increased approximately $.5 million month over month in the General Fund portfolio this fiscal year.

CURRENT YEAR FINANCIAL TRENDS & VARIANCES:
- Servicing expansion continues to provide additional revenues as the subserviced portfolio and purchased servicing rights asset bases increase.
- This fiscal year bond issuance will continue to be the best execution for Single Family Mortgage first-time homebuyer loans. In the bond execution the majority of the revenue is earned over time and with TBA sales all revenue is received upfront. Approximately 80% of the Single Family mortgage program will be funded with tax-exempt bonds.
- The subservicing oversight position reports to the Director of Servicing and provides full-time monitoring of loss mitigation activities, collections and foreclosure services provided by MFA's subservicer. They coordinate with the Compliance Officer on risk management strategies and reporting. Staff actively analyzes default trends, quality control reports and portfolio profile characteristics to understand reasons for higher than expected delinquency rates. These delinquencies have an effect on the credit risk associated with MFA's down payment assistance portfolio as well as the financial impacts associated with defaults on the first mortgages themselves. Staff is actively engaged with the subservicer to identify additional delinquency reduction strategies, particularly early intervention strategies to prevent loans from becoming seriously delinquent.
- The subserviced portfolio is approx. 80% FHA insured loans. The Mortgage Bankers Association quarterly survey as of 9/30/19 indicates that the delinquency rate for FHA loans nationally is 6.60% and for New Mexico 3.56%. 5.40% of MFA’s delinquencies in this portfolio are in the 30 to 59 days past due range.
- Reserve levels for all MFA loan portfolios are deemed adequate.
- Fair market value for purchased servicing rights as of December 31, 2019 was $13.2 million an increase of approximately $1.4 million over cost. GASB requires MFA to utilize "lower of cost or market" accounting for this asset. Therefore, no valuation adjustments are anticipated. Current purchased servicing rights are recorded at a cost of $11.8 million as of December 31, 2019. Valuations are obtained on a quarterly basis. Valuations were up slightly last quarter primarily due to the increase in mortgage rates.
- Based on Moody’s issuer credit rating scorecard, MFA’s 28.63 percent net asset ratio (5-year average), which measures balance sheet strength, indicates a strong and growing level of resources for maintaining HFA’s creditworthiness under stressful circumstances (> 20 percent). The net revenue as a percent of total revenue measures performance and profitability and MFA’s 8.62 percent ratio (5-year average) points to a satisfactory profitability (5-10 percent range). While ratios currently fall within expected thresholds, there are some trends that are effecting these ratios. In future years MFA will see the net asset ratio decline as net revenues will not be increasing at the same rate as bonds outstanding. As previously noted, the bond execution is expected to fund approximately 80% of the single family mortgage production this year.
- Moody’s Investor Services issued an updated credit opinion on MFA in the spring of 2018. They reaffirmed the Aa3 rating. Comments included strong asset to debt ratio, good profitability and low risk profile due to mortgage-backed security structure, multifamily Risk Sharing Program and no exposure to variable rate debt. Additionally, Moody’s reaffirmed the Aaa rating on the single family indenture in the spring of 2019.

MFA Net Position as of December 31, 2019:

UNAPPROPRIATED NET POSITION:
- $33,181 held by Bond Program Trustees and is pledged to secure repayment of the Bonds.
- $30,942 held in Trust for the NM Housing Trust Fund and the NM Land Title Trust Fund.
- $495 held for New Mexico Affordable Housing Charitable Trust.
- Total unappropriated Net Position: $64,618

APPROPRIATED NET POSITION: GENERAL FUND

By actions of the Board of Directors on various dates, General Fund net assets have been appropriated as follows:
- $112,961 for use in the Housing Opportunity Fund ($98,655 in loans plus $14,306 unfunded, of which $3,825 is committed).
- $23,961 for future use in Single Family & Multi-Family housing programs.
- $2,044 for loss exposure on Risk Sharing loans.
- $1,197 invested in capital assets, net of related debt.
- $11,877 invested in mortgage servicing rights.
- $18,536 for the future General Fund Budget year ending 9/30/20 ($24,100 total budget less $5,564 expended budget through 12/31/19).
- Subtotal - General Fund: $170,576

APPROPRIATED NET POSITION: HOUSING

By actions of the Board of Directors on December 7, 1999, Housing assets have been appropriated as follows:
- $14,351 for use in the federal and state housing programs administered by MFA.
- Subtotal - Housing Program: $14,351
- Total appropriated Net Position: $184,927
- Total combined Net Position at December 31, 2019: $249,545

Total combined Net Position, or reserves, at December 31, 2019 was $249.5 million, of which $64.6 million was pledged to the bond programs, Affordable Housing Charitable Trust and fiduciary trusts. $184.9 million of available reserves, with $87.6 million primarily liquid in the General Fund and in the federal and state Housing programs and $97.3 million illiquid in the programs of the General Fund, have been:
- for use in existing and future programs
- for coverage of loss exposure in existing programs
- to meet servicing requirements, and
- for support of operations necessary to carry out the programs.

MFA's general plan for bond program reserves as they may become available to MFA over the next 30 years is to use the reserves for future programs, loss exposure coverage, servicing requirements and operations.

New Mexico Mortgage Finance Authority
Minutes of Quarterly Investment Review
(Taking place during the Finance Committee February 11, 2020)

Present: Chair Derek Valdo, Member Tim Eichenberg, and Proxy Martina CDeBaca
MFA Staff Present: Izzy Hernandez, Gina Hickman, Dolores Wood, Jeff Payne, Rene Acuna
Quarterly Review of MFA General Fund investments:

- Report being presented is as of December 31, 2020.

- Compliance Report (Diversification and Asset Allocation): Hickman reviewed the General Fund Investment Compliance Report. She informed the committee that all asset classes are in compliance with the investment policy.

- Portfolio Summary-Short & Intermediate Term Investments: Hickman reviewed asset classes, yields/returns and discussed sector components of the bond ladder. Hickman also mentioned that MFA purchased two new bond securities during the quarter due to maturities or calls.

- Portfolio Summary-Long Term Investments Including State Investment Council Investments: Hickman discussed market values, rates of return and realized gain/loss data for the mortgage backed securities portfolio and the State Investment Council (SIC) funds.

- Portfolio Summary-Housing Trust Fund: Hickman reviewed market values, rates of return and realized gain/loss data for the Housing Trust SIC fund. She reminded the committee that 100% of the Housing Trust Fund is invested in the Core Bonds Plus Active fund.

- General Fund Investment Portfolio Metrics: Hickman referred committee members to the ratings and interest income information.

- Summary of December 31, 2020 balances and yields/rates of returns:

Quarterly Review of MFA General Fund investments:

- Report being presented is as of September 30, 2019 which is the end of FY 2019.

- Compliance Report (Diversification and Asset Allocation): Keeler reviewed the General Fund Investment Compliance Report. She
  informed the committee that all asset classes are in compliance with the investment policy. Keeler also reminded the committee
  that the Cash Held for Operations/Warehoused MBS does not include capital borrowed for loan operations or restricted funds.

- Portfolio Summary-Short & Intermediate Term Investments: Keeler reviewed book values by asset class and in total. She referred
  the committee to the yields, and discussed sector components of the bond ladder. Keeler also mentioned that MFA had two bond
  ladder securities that either matured or were called and funds were reinvested in July and August, respectively.

- Portfolio Summary-Long Term Investments Including State Investment Council Investments: Keeler reviewed market values, rates
  of return and realized gain/loss data for the mortgage backed securities portfolio and the SIC funds.

- Portfolio Summary-Housing Trust Fund: Keeler reviewed market values, rates of return and realized gain/loss data for the SIC fund.
  She reminded the committee that 100% of the Housing Trust Fund is invested in the Core Bonds Plus Active fund.

- General Fund Investment Portfolio Metrics: Keeler referred committee members to the ratings and interest income information.
  She informed the committee that there was no change in any of the ratings. Keeler also indicated that interest income earnings
  actually were 14% above budget.

Recommendation: Staff recommends approval of proposed Paid Parental Leave Policy.

Background: In order to remain consistent with benefits from the State of NM and to remain competitive in the marketplace in terms of employee benefits, MFA is recommending adoption of a Paid Parental Leave Policy.

Discussion:

MFA will provide eligible employees with paid parental leave. The purpose of paid parental leave is to provide parents with time to care for and bond with their new child(ren). Eligible employees as defined in this policy will be provided twelve (12) workweeks of fully paid parental leave following the birth, adoption of a child. This policy will run concurrently with leave taken the Family and Medical Leave Act (FMLA), as applicable. The attached policy outlines the eligibility, duration of leave, timeline of payout and process for requesting leave.

MFA’s Attorney at Stelzner Law firm has reviewed the policy and recommended changes have been incorporated.

After approval from the Board level, each individual staff member will be given a copy of the policy and it will be posted on MFA’s Intranet until such time it is incorporated into MFA’s Employee Manual.

Summary: As part of MFA’s ability to address recruiting and retention, and to remain consistent with benefits offered by the State of NM, MFA is recommending the adoption of the attached Paid Parental Leave Policy.
Paid Parental Leave Policy

Purpose

The New Mexico Mortgage Finance Authority (MFA) will provide eligible employees with paid parental leave. The purpose of paid parental leave is to provide parents with time to care for and bond with their new child(ren). Eligible employees as defined in this policy will be provided twelve (12) workweeks of fully paid parental leave following the birth, adoption of a child. This policy will run concurrently with leave taken the Family and Medical Leave Act (FMLA), as applicable.

New Mexico Mortgage Finance Authority will provide up to 12 weeks of paid parental leave to employees following the birth of an employee’s child or the placement of a child with an employee in connection with adoption or foster care.

Eligibility

To be eligible for paid parental leave, employees must meet the following criteria:

- Be a full-time, regular employee.
- Have been employed with MFA for at least 12 consecutive months prior to the start of the paid parental leave, excluding any temporary and term employment.
- Have given birth to a child or be a spouse or domestic partner of a woman who has given birth to a child, (an affidavit for domestic partnership must be on file with human resources at the time leave is requested) or
- Have adopted a child (the child must be age 17 or younger).
- Children brought into the household due to marriage or domestic partnership would not be a qualifying event for paid parental leave.

Duration and Timeframe of Paid Parental Leave

- Eligible employees will receive a maximum of 12 weeks of paid parental leave for the birth, adoption of a child or children in the six-month time frame immediately following the birth or placement.
- All paid parental leave must be taken during the first 6 months following the birth, adoption, or foster care placement of the child. Parental leave not utilized within the six-month period or any unused paid parental leave will be forfeited.
- Eligible employees may utilize one term of paid parental leave (up to 12 weeks) per birth or adoption event.
- Employees must take paid parental leave in one continuous period of leave.
- Paid parental leave taken under this policy will run concurrently with leave under the FMLA, any leave taken under this policy will also be counted toward the 12 weeks of available FMLA leave.
- Paid parental leave may not be donated to any other employee.
Pay and Benefits During Parental Leave

- Each week of paid parental leave is compensated at regular, straight-time weekly pay.
- Paid parental leave will be paid on a bi-weekly basis on regularly scheduled pay dates.
- If a holiday occurs while the employee is on paid parental leave, it will be paid as holiday pay; however, it will not extend the total paid parental leave entitlement.
- Employees will continue to accrue vacation and sick time during paid parental leave.
- Upon termination of the employment at MFA, he or she will not be paid for any unused paid parental leave for which he or she was eligible.

Requests for Paid Parental Leave

- The employee will provide his or her supervisor and the human resource department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible).
- The employee must complete the necessary HR forms and provide all documentation as required by the HR department to substantiate the request.

New Mexico Mortgage Finance Authority reserves the right to interpret this policy, or to modify it as business needs dictate with or without notice.

Recommendation: Staff recommends approval of proposed Voluntary Separation Incentive Program.

Background: As part of MFA’s succession planning and in order to ensure consistent coverage of key personnel duties and ongoing operations without interruption, MFA is recommending the adoption of a voluntary separation incentive program.

Discussion:

The purpose of the Voluntary Separation Incentive Program is to implement a separation incentive, as authorized by the Executive Director, to achieve the following organizational objectives:

1. Recruiting: Allow adequate time to advertise and recruit replacement.
2. Alignment: Allow outgoing incumbent to align work required for the role, to include updated desktop procedures and prioritization of duties.
3. Training: Allow for outgoing incumbent to train his or her replacement.
4. Shadow/Support: Ensure the replacement has grasped the fundamentals of the position and provide any additional support as needed.

At the conclusion of the alignment, training and shadow/support phases the departing employee will receive a one-time, lump sum bonus payment equivalent to 5% of employee’s annual base salary, less applicable taxes. Eligibility and payout requirements are in the attached policy.

MFA’s Attorney at Stelzner Law firm has reviewed the policy and recommended changes have been incorporated.

After approval from the Board level, each individual staff member will be given a copy of the policy and it will be posted on MFA’s Intranet until such time it is incorporated into MFA’s Employee Manual.
Summary: As part of MFA’s succession planning and in order to ensure consistent coverage of key personnel duties and ongoing operations without interruption, MFA is recommending the adoption of a voluntary separation incentive program.

Recommendation:
Staff recommends approval of the Emergency Homeless Assistance Program (EHAP) Request for Proposals (RFP) for Program Years 2020-2022, with option for renewal for 2022-2023 through 2024-2025.

Background:
MFA administers the EHAP program which is funded through the U.S. Department of Housing and Urban Development’s (HUD) Emergency Solutions Grants (ESG) program under the Homeless Emergency Assistance Rapid Transition to Housing Act (HEARTH) of 2009 which amends and reauthorizes the McKinney-Vento Homeless Assistance program and the State of New Mexico’s appropriation to the state Homeless Program. MFA is the designated state recipient of these funds and is therefore responsible for administering them.

The EHAP award is available to units of local government or nonprofit organizations. It is designed to improve the quality of existing emergency shelters by helping to meet the operational costs and to provide certain essential services to individuals and families who meet HUD’s Definition of Homelessness in 24 CFR Part 576. This includes shelters for survivors of domestic violence, shelters specifically for homeless youth, and shelters for adults and families.

The goal outlined by HUD for the use of these funds is “…to maximize the efforts in assisting individuals and families in emergency shelters to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.” (HUD Interim Rule for the Emergency Solutions Grant Federal Regulations, 24 CFR Part 576)

In March 2016, MFA’s Board of Directors approved an RFP for the EHAP Program which allowed selected service providers to be awarded funding for five consecutive program years contingent upon required renewal criteria and performance. Staff is recommending approval of this current RFP as it includes updates to the process of determining which shelters are awarded based on their success rate in transitioning individuals into safe, permanent housing after a brief shelter stay.
Discussion:
Since 2014, (for the past six years of funding), MFA has consistently awarded a group of 25-30 shelters annually with the EHAP funds that have only increased by $16,800. As these funds appear to remain at a consistent level year by year, we have been discussing whether we are selecting the shelters that are actually showing progress in helping people move into stable housing. After completing a comparison of the data that has been reported by each shelter that shows their success rate for the past two years, we created a proposal to equalize these funds among the three separate categories of homeless shelters that consistently apply for this funding:

1. Adult/Family Shelters
2. Youth Shelters
3. Shelters for Survivors of Domestic Violence

The chart below shows the proposed breakdown of the overall award by category of homelessness. We anticipate the total EHAP award to remain approximately the same for 2020-2021, so we have included the total funds that would be available in each category.

The 26 shelters that currently receive this funding include the following:
- 17 Domestic Violence Shelters
- 5 Youth Shelters
- 4 Adult/Family Shelters

The additional information below supports our recommended changes to the RFP.

1. Many of the shelters that currently receive this funding overlap in the services they provide due to their close proximity to one another. Rather than spread the total award out among every eligible shelter that applies, we propose including the following language in the RFP (Section 12, Evaluation Criteria):

   “In New Mexico cities with a population below 60,000, the following applies: For shelters located within 70 miles of another shelter serving a similar category of homelessness, (i.e., domestic
violence, adult homeless, or youth homeless), the Offeror with the highest overall score will be funded.”

2. MFA’s award to these shelters has consistently averaged only 7% of their overall funding. In selecting a smaller group of shelters to award, it is not anticipated that any of those being eliminated would suffer a financial hardship as a result.

3. This proposed change in scoring will result in a greater amount of funds being awarded to the shelters with the highest rate of exiting individuals to permanent housing. This is the greatest sign of success in the goal to end homelessness in New Mexico. The following list includes destinations that HUD defines as “Permanent Housing.” If a client exits a shelter to a destination different from one of the places listed below, it would not be considered an “exit to permanent housing.”

- Owned by client, with or without ongoing housing subsidy
- Rental by client, with or without ongoing housing subsidy
- Staying or living with family
- Staying or living with friends

All changes proposed in this RFP have been discussed with the New Mexico Coalition to End Homelessness. They support the recommendations we present in this RFP. Along with this, we have been discussing this change in scoring with the shelters that currently receive this funding from MFA. As referenced in the chart above, titled “Weighted Categories for Funding,” we began to place a higher priority on the “exits” these shelters were reporting when we started the process for contract renewal in March 2019. Over the last ten months, we have continued working with this same group of shelters to ensure that they understand the importance of not only prioritizing this step in data collection for each client, but also documenting any details that support the destination recorded in the client file.

Summary

Staff is recommending approval of the Emergency Homeless Assistance Program (EHAP) Request for Proposals (RFP) for Program Years 2020-2022, with option for renewal for years 2022-2023 through 2024-2025. The changes proposed in this RFP reflect our view that selecting the shelters with the highest success rate is in line with the very purpose of this funding, as defined by HUD. Upon your approval, this RFP will be released to the public, via the MFA website on February 20, 2020.

REQUEST FOR PROPOSAL

Emergency Homeless Assistance Program (EHAP)
Program Years 2020-2025
Welcome and thank you for your interest in responding to MFA’s Emergency Homeless Assistance Program (EHAP) RFP. MFA is committed to choosing the best qualified Offerors and this information will provide the best opportunity to do so.

**Part I – General information**
The general information in the RFP provides background information about MFA, general proposal requirements and RFP standards.

**Part II – Program-Specific Criteria**
Part II of the RFP requires responses from the Offeror. It is designed to provide program-specific criteria such as program background; purpose of the RFP; RFP training; Q & A information; performance agreement terms; timelines; minimum qualifications; evaluation criteria; program standards and compliance with federal requirements.

In an effort to provide clarification or answers to questions in this RFP, an FAQ link will be available on MFA’s website after the RFP training. Please refer to **Part II Section 10, Timeline** for the training date.

PART I: GENERAL INFORMATION

1  BACKGROUND INFORMATION

1.1  INTRODUCTION

New Mexico Mortgage Finance Authority (MFA) is a governmental instrumentality, separate and apart from the state, created by the Mortgage Finance Authority Act, NMSA 1978, § 58-18-1 et seq. (the “MFA Act”) and pursuant to the Affordable Housing Act, NMSA 1978, §6-27-1 et seq. (the “Act”), for the purpose of financing affordable housing for low- and moderate-income New Mexico residents. MFA will endeavor to ensure, in every way possible, that small, women-owned business enterprises and/or labor surplus area firms (collectively Disadvantaged Business Enterprises [DBE]) shall have every opportunity to participate in submitting proposals and providing services. DBE businesses are encouraged to submit proposals. MFA will not discriminate against any business on grounds of race, color, religion, gender, national origin, age or disability. It is MFA’s policy that suppliers of goods or services adhere to a policy of equal employment opportunity and demonstrate an affirmative effort to recruit, hire and promote regardless of race, color, religion, gender, national origin, age or disability.

1.2  PURPOSE

The purpose of this Request for Proposal (RFP) is to solicit proposals, in accordance with MFA’s Procurement Policy, from qualified applicants, which by reason of their skill, knowledge, and experience are able to furnish services for MFA in connection with the program for which they are applying (“Offerors”).

2  GENERAL PROPOSAL REQUIREMENTS

2.1  PROPOSAL SUBMISSION

All Offeror proposals must be received for review and evaluation by MFA by 4 p.m. Mountain Time on the deadline of the proposal outlined in Part II Section 10, Timeline of the RFP. Proposals shall be in sealed envelopes marked “Proposal to Offer Services and list the name of the program being applied for.”

Submit proposals to:

Kelly Patterson, Administrative Assistant
Community Development Department
New Mexico Mortgage Finance Authority
344 Fourth Street, SW
Albuquerque, NM 87102
Proposals may be delivered by mail, other shipping service or by hand. **Facsimile or electronic transmissions will not be accepted.** Proposals received after the proposed due date outlined in the timeline will not be considered for funding.

### 2.2 PROPOSAL TENURE

All proposals shall include a statement that the proposal shall be valid until performance agreement award, but no more than 90 calendar days from the proposal due date.

### 2.3 PROPOSAL FORMAT

Proposals should be printed on standard 8 ½ x 11 paper, double-sided, with each copy fastened using paper clips or binder clips and **with tabs** identifying each minimum threshold item and evaluation criteria item. **Please do not spiral bind your proposals.** All proposals must be self-contained.

- ♦ Proposals (RFP) and forms may be downloaded from MFA’s website: [www.housingnm.org/community_development/(EHAP)](http://www.housingnm.org/community_development/(EHAP))
- ♦ Offeror(s) must submit one copy of the most recent agency financial audit FY 2018 or FY 2019 or a letter from MFA indicating that we have already received and approved your audit.
- ♦ Offeror(s) must submit one original and three copies of the proposal form and all required schedules and attachments, for a total of four proposal packages.
- ♦ Proposals must include the program-specific forms attached to this proposal package and all schedules and attachments pertaining thereto. **No substitutions will be accepted.**

### 2.4 IRREGULARITIES IN PROPOSALS

MFA may waive technical irregularities in the form of proposal of any Offeror selected for award, which do not alter the price, quality or quantity of the services offered. Note that the date and time of proposal submission as indicated herein, in **Part II Section 10, Timeline**, cannot be waived under any circumstances.

### 2.5 EVALUATION OF PROPOSALS

Responses will be evaluated by an internal review committee of MFA staff using the scoring criteria as described in **Part II Section 12, Evaluation Criteria**. The review committee will present award recommendations to MFA management and MFA’s Board. Final selection will be made by MFA’s Board of Directors at the regularly scheduled monthly meeting.

MFA does not guarantee and is not obligated to make an award. Awards will be based on availability of funds, Offeror’s demonstrated need, Offeror’s score on the scoring criteria and for any of the other reasons set forth herein.

### 2.6 DEFICIENCY CORRECTION PERIOD
Upon receipt of all timely submitted proposals, MFA staff members will review all proposals to verify that all are complete in accordance with the requirements of this RFP. Should any proposal be missing a threshold requirement in the RFP, it will be deemed incomplete. MFA will notify Offerors if any corrections are needed during the deficiency period. The deficiency correction period may not be used to increase the Offeror’s score. Items eligible for correction or submission during the deficiency correction period include missing or incomplete items required in the Minimum Qualifications and Requirements section of this proposal.

MFA shall communicate proposal deficiencies to each Offeror’s designated contact person within seven calendar days of the RFP proposal submission date via e-mail. Applicants shall have five business days after the date of the e-mail delivery notice to submit the required information. All items must be submitted no later than 4 p.m. Mountain Time on the due date. The response due date will be noted on the deficiency notice. If the information requested is not provided within the timeframe provided or is submitted, but remains deficient, the proposal will be rejected without any further review.

Upon expiration of the deficiency correction period, MFA will not accept Offeror’s submission of any items still missing from the proposal.

3 RFP STANDARDS

3.1 PROTEST

Any Offeror who is aggrieved in connection with this RFP or the notification of preliminary selection to this RFP may protest to MFA. A protest must be based on an allegation of a failure to adhere to the evaluation process as designated in the RFP, including MFA’s evaluation of proposals. The protest must be written and addressed to:

Community Development Department
Kelly Patterson, Administrative Assistant
New Mexico Mortgage Finance Authority
344 Fourth Street, SW
Albuquerque, NM 87102

The protest must be delivered to MFA within five calendar days after the preliminary notice of award. Upon the timely filing of a protest, the administrative assistant shall give notice of the protest to all Offerors who appear to have a substantial and reasonable prospect of being affected by the outcome of the protest. The Offerors receiving notice may file responses to the protest within seven calendar days of notice of protest. The protest process shall consist of review of all documentation and any testimony provided in support of the protest by the Contracted Services/Credit Committee of MFA’s Board of Directors, which shall thereafter make a recommendation to the full Board of Directors regarding the disposition of the protest.
MFA’s Board of Directors shall make a final determination regarding the disposition of the protest. Offerors or their representatives shall not communicate with MFA’s Board of Directors or any MFA staff member regarding any proposal under consideration, except when specifically permitted to present testimony to the committee of the Board of Directors. A proposal will be deemed ineligible if the Offeror or any person or entity acting on behalf of the Offeror attempts to influence members of the Board of Directors or MFA staff during any portion of the RFP review process or does not follow the prescribed proposal and protest process.

### 3.2 RFP REVISIONS AND SUPPLEMENTS

Should revisions or additional information be necessary to clarify any provision of this RFP, a request for this information will be provided to all Offerors via MFA’s website.

### 3.3 INCURRED EXPENSES

MFA will not be responsible for any expenses incurred by an Offeror in responding to this RFP. All costs incurred by Offerors in the preparation, transmittal or presentation of any proposal or material submitted in response to this RFP will be borne solely by the Offeror.

### 3.4 RESPONSIBILITY OF OFFERORS

If an Offeror, who otherwise would have been awarded a contract, is found not to be a responsible Offeror, a determination setting forth the basis of the finding, shall be prepared and the Offeror shall be disqualified from receiving the award. A responsible Offeror means an Offeror who submits a proposal that conforms, in all material respects, to the requirements of this RFP and who has furnished, when required, information and data to prove that the Offeror’s financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services described in this RFP. The unreasonable failure of an Offeror to promptly supply information in connection with an inquiry with respect to responsibility is grounds for a determination that the Offeror is not a responsible Offeror.

In addition to the terms of the services to be performed, the contract between MFA and the successful Offeror (herein “Service Provider”) shall include, but may not be limited to, terms substantially similar to the following:

**Indemnity.** Service Provider accepts full responsibility and liability for the Scope of Work and for the proper obligation and expenditure of Program Funds under this Agreement and shall defend, hold harmless and indemnify MFA and HUD against any and all claims or liabilities, including attorneys’ fees and costs of litigation, arising out of Service Provider’s performance of or failure to perform the Scope of Work or arising out of any Project developed under the Scope of Work or for which Program Funds have been expended.

**Subcontracting Prohibited.** The Service Provider shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of MFA. If approved by MFA, the
Service Provider shall be solely responsible for the performance of any subcontractor under such subcontract(s). Use of a subcontractor shall not relieve Service Provider of any obligation under this Agreement for any reason, including but not limited to a subcontractor's bankruptcy, insolvency or other inability to perform the services required under any subcontract.

**Required Records.** The Service Provider will maintain adequate financial accounting, Program and Project records for no less than seven years after the expiration date or termination date of the agreement, whichever is later.

**Cost Reimbursements/Budget.** Payment under cost reimbursable contract provisions shall be made upon MFA’s receipt from the Service Provider of certified and documented invoices for actual expenditures allowable under the terms of this Agreement. Reimbursements will be made in accordance with the Budget.

**Commercial General Liability Insurance.** A commercial general liability insurance policy with combined limits of liability for bodily injury or property damage will be required with the following limits:

</tr>
</thead>
<tbody>
<tr>
<td>$1,000,000</td>

</tbody>
</table>

MFA must be named as an additional insured (except for worker’s comp). Said policy or policies of insurance must include coverage for all operations performed for MFA by the Service Provider and contractual liability coverage shall specifically insure and hold harmless provisions of this Agreement.

**Privacy and Confidentiality.** The Service Provider shall exert all reasonable effort to advise MFA at the time of delivery of data furnished under this Agreement, of all invasions of the right of privacy contained therein, and of all portions of such data copied from work not composed or produced in the performance of this Agreement and not licensed under this Agreement. Service Provider shall indemnify and hold MFA harmless from and against any loss, cost, liability, or expense arising out of the violation or alleged violation of any patent, copyright, trade secret or other property right of any third party.

**Equal Opportunity Data.** The Service Provider will maintain data relative to "Equal Opportunity" as related to Minority Business Enterprises ("MBE") and Women Business Enterprises ("WBE"). At a minimum, such data shall include the number and dollar value of MBE/WBE contracts and subcontracts awarded. This data is required to be reported annually in the format prescribed by MFA each year at a time to be determined by MFA in its sole discretion.

**Termination at Will.** The Agreement may be terminated by MFA with the consent of Service Provider or by Service Provider pursuant to the applicable provisions of 2 CFR 200.339. In the case of such termination, neither party may nullify any obligation already incurred prior to the date of termination.
Independent Service Provider. The Service Provider, its agents and employees are independent contractors performing professional services for MFA and are not employees of MFA or the state of New Mexico. The Service Provider and its agents and employees shall not accrue leave, retirement, insurance, bonding or any other benefits afforded to employees of MFA or the state of New Mexico.

Awards to Other Service Providers. The Service Provider shall not assign or transfer any rights, duties, obligations or interest in or to the proceeds of this Agreement without the prior written approval of MFA. If approved, any assignee will be subject to all terms, conditions and provision of this Agreement. No such approval by MFA of any assignment shall obligate MFA for payment of amounts in excess of the Program Funds. In accordance with 2 CFR 200.213, Service Provider shall not make any awards or permit any award (subcontract or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible to participate in federal assistance programs under Executive Order 12549 and 12689, "Debarment and Suspension."

Amendment. The Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto.

Scope of Agreement. The Agreement incorporates all the agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement. No prior agreement or understandings, verbal, or otherwise of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

Service Provider Shall Not Bind MFA. Service Provider shall not purport to bind MFA, its officers or employees, nor the state of New Mexico, to any obligation not expressly authorized herein unless MFA has expressly given Service Provider permission to do so in writing.

The Agreement shall be governed by the laws of the state of New Mexico and by applicable federal law. The Service Provider consents to the jurisdiction of the Courts of the state of New Mexico. If any term or provision of this Agreement shall be found to be illegal or unenforceable then, notwithstanding, this Agreement shall remain in full force and effect and such term or provision shall be deemed to have no effect.

3.5 CANCELLATION OF RFP OR REJECTION OF PROPOSALS

This RFP may be canceled and any and all proposals may be rejected when it is in the best interest of the state of New Mexico and/or MFA. In addition, MFA may reject any or all proposals which are not responsive. Offeror may also cancel their proposal at any time during the proposal process.

3.6 AWARD NOTICE

MFA shall provide written notice of the award to all Offerors within 10 business days of the date of the award. The award shall be contingent upon successful negotiations of a final contract between MFA and the Offeror whose proposal is accepted by MFA.

3.7 PROPOSAL CONFIDENTIALITY
Until awards are determined and notice given to all Offerors, MFA will not disclose the contents of any proposal or discuss the contents of any proposal with an Offeror or potential Offeror, to ensure the information does not become available to competing or potential Offerors.

3.8 CODE OF CONDUCT

No Board member or employee of MFA shall have any direct or indirect interest in any contract with the Offeror nor shall any contract exist between Offeror or its affiliate and any MFA Board member or employee that might give rise to a claim of conflict of interest. Any violation of this provision will render void any contract between MFA and the Offeror for which MFA determines that a conflict of interest exists as herein described, unless that contract is approved by the Board of Directors after full disclosure.

Offeror shall provide a statement disclosing any political contribution or gift valued in excess of $250 (singularly or in the aggregate) made by Offeror or on Offeror’s behalf to any elected official of the state of New Mexico currently serving or who has served on MFA’s Board of Directors in the last three years.

Offeror shall warrant that it has no interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under the contract entered into with MFA pursuant to this RFP. Offeror shall at all times conduct itself in a manner consistent with MFA’s Code of Conduct and MFA’s Anti-Harassment Policy. A copy of MFA’s Code of Conduct and MFA’s Anti-Harassment Policy is posted on MFA’s website for review at http://www.housingnm.org/rfp. Upon request by MFA, Offeror shall disclose information MFA may reasonably request relating to conflicts or potential conflicts of interest.

3.9 CONFIDENTIAL DATA

Offerors may request, in writing, nondisclosure of confidential data. Such data shall accompany the proposal and shall be readily separable from the proposal to facilitate public inspection of non-confidential portions of the proposal. After award, all proposals and documents pertaining to the proposals will be open to the public. Confidential data is normally restricted to confidential financial information concerning the Offeror’s organization and data that qualifies as trade secrets under the Uniform Trade Secrets Act, §57-3A-1 et seq. NMSA 1978.

If a citizen of this state requests disclosure of data for which a request for confidentiality is made, MFA shall examine the request for confidentiality and make a written determination that specifies which portions of the proposal should be disclosed and will provide the Offeror with written notice of that determination. Unless the Offeror protests within 10 calendar days of the notice, the proposal will be so disclosed.
PART II: PROGRAM-SPECIFIC CRITERIA

4 PROGRAM BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG), is authorized under the McKinney-Vento Homeless Assistance Act of 1987 (42 U.S.C 11371-1378), as amended by the Homeless Emergency and Rapid Transition to Housing Act of 2009 (“HEARTH Act”), 24 CFR Part 576. The ESG is a federally formula-funded program that uses the Community Development Block Grant (CDBG) formulas as a basis for allocating funds to eligible jurisdictions, including states, territories, and qualified metropolitan cities and urban counties.

MFA is the state’s recipient of the ESG program responsible for administering the state ESG allocation for New Mexico. The ESG allocation is limited to 60 percent of the total fiscal ESG grant for shelter operations minus 7.5 percent for MFA administration.

The Emergency Homeless Assistance Program (EHAP) was established by MFA to provide funding assistance to emergency homeless shelters throughout the state. MFA combines the ESG allocation appropriated by HUD with the New Mexico State Homeless Assistance allocation appropriated by the New Mexico state legislature to establish the EHAP award. Under the Definition of Homelessness, as defined by HUD in The Emergency Solutions Grant Program Regulations (24 CFR Part 576), this funding is available to existing emergency shelters that serve the following:

1. Individuals and families that lack a fixed, regular and adequate nighttime residence;
2. Individuals and families who will imminently lose their primary nighttime residence;
3. Unaccompanied youth under 25 years of age;
4. Individuals or families who are fleeing or are attempting to flee domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions

A more complete description of these categories of homelessness may be found at the HUD Exchange website at www.hudexchange.info/.

5 PURPOSE OF RFP

This Request for Proposal (RFP) is issued pursuant to MFA’s Procurement Policy to solicit proposals from qualified Offerors capable of providing Program Services to eligible individuals, according to HUD’s Definition of Homelessness (24 CFR Part 576). Selected Offerors will be eligible to receive this funding for program years 2020-2021 through 2021-2022, with potential extension for program years 2022-2023 through 2024-2025 in accordance with 24 CFR Part 576 and all applicable federal guidelines. Funding will be made through a competitive process to eligible Offerors. Although actual funding levels have not yet been determined and could vary from current year funding levels, the estimated funding for PY 2020-2021 is shown below along with the total percentage to be awarded for each category.
Estimated EHAP funding for 2020-2021: $900,739

If other funds become available to MFA during the program year for activities similar to the work performed under the Program, this funding may be offered to the successful Offeror(s) hereunder without a new RFP. MFA retains sole discretion to make this judgment as well as determining the possible need for additional RFPs.

Offerors may not obligate funds, incur expenses, or otherwise implement program services prior to execution of a contract with MFA. Funding is anticipated to be available for future program years at similar levels but is subject to change. Funding is not guaranteed to any given Offeror in any given amount.

6 RFP TRAINING

Training for all EHAP RFP applicants will be provided by conference call. This training is mandatory. Additional information may be found in Section 10, Timeline. Pre-registration is required. To register, visit [http://housingnm.org](http://housingnm.org). After the RFP training, questions will only be answered through the process outlined in Section 7, RFP Q&A.

7 RFP Q&A

Questions pertaining to this RFP and application must be submitted via MFA’s website at [http://www.housingnm.org/community_development/rfp](http://www.housingnm.org/community_development/rfp). Under “Current RFPs,” select the RFP being applied for. On the Services tab of the RFP being applied for, select the “Services FAQs” link. Questions will be checked daily. The FAQ will open immediately following the RFP training on March 3, 2020 and will close on March 19, four days prior to the RFP due date (see Section 10, Timeline for further details).

To submit your questions, scroll down to the “Ask a Question” section, enter your name, email address, and type your question in the “Question” box. Type the two (2) words in the CAPTCHA box and click on “Send My Question.” Answers to all questions will be posted on the three dates listed in Section 10, Timeline.

8 PERFORMANCE AGREEMENT TERM

The successful Offeror will enter into a contract with MFA for services to be performed. The term of the contract is July 1, 2020 to June 30, 2022 with potential extension for program years 2022-2023 through
2024-2025. Dates are based on availability of funds for release from each funding source. Only expenses incurred on or after the effective date of the performance agreement are allowable.

In the event an awardee of this RFP is deemed not qualified to administer the program due to contractual non-compliance, MFA may negotiate with another program awardee without issuing another RFP or issue an RFP for the specific area that is being served by the non-qualified agency. MFA may also issue an RFP during the contract term for any new areas to be served based on the availability of additional funds.

The performance agreements between MFA and successful Offerors shall be for fixed amounts. All payments by MFA shall be made on an actual reimbursement basis.

## 9 RENEWAL CRITERIA

Renewal is contingent upon the following criteria, which may be adjusted at MFA’s discretion:

1. **Funding availability**
2. **Proof of Sub-recipient’s performance by the following:**
   - Total % of clients exited to permanent housing, as outlined in this EHAP RFP, Section 12, Evaluation Criteria
   - Timely expenditure of funds and billing for expenditures, as outlined in the EHAP contract, Schedule C, Budget
3. Submission of the Sub-recipient Capacity Form, (provided by MFA), showing executive director, financial manager and program manager, along with their respective years of experience, to demonstrate the administrative and financial management capacity necessary to accept and account for the use of public funds and demonstrate the capacity to provide program services. Should changes in these essential positions occur, MFA must be notified.
4. **Current registration as a charitable organization with the New Mexico Attorney General’s Office, covering the fiscal year ending in 2019, or proof of exemption therefrom.** Registration/verification may be obtained at [https://secure.nmag.gov/coros/](https://secure.nmag.gov/coros/). Verification should be in the form of the first page of the “NM Charitable Organization Registration Statement.”
5. **Agency’s external audit, with a year-end date of the most recent fiscal year, or a letter from MFA stating that the Sub-recipient’s most recent audit has been received and approved.** Sub-recipient must provide an independent CPA’s auditor’s report (audit) or audited financial statements conducted in accordance with Government Auditing Standards (GAS). The GAS Audit will include an independent auditor’s report on the following:
   a. Financial statements
   b. Internal control over financial reporting and compliance
   c. Management Response Letter (if audit has findings)

If sub-recipient receives over $750,000 in federal funds, a Single Audit is required pursuant to 2 CFR 200 Subpart F and must include proof of Federal Audit Clearinghouse submission (FORMSF-SAC).
6. Sub-recipient must provide the 9-digit DUNS number from registration through SAM.gov. MFA will verify the status of sub-recipient on “HUD’s Limited Denial of Participation” website.  
DUNS # ________________

7. Submission of the MFA Awards Form, provided by MFA, showing no unresolved findings from the most recent MFA monitoring. If findings exist that have not been cleared, Sub-recipient must provide a letter to MFA addressing the plan for corrective action.

8. Submission of the Sub-recipient Funders Form, provided by MFA, showing all outstanding findings from most recent monitoring reports by agency funders.

9. Signed Offeror’s Certification

**11  MINIMUM QUALIFICATIONS AND REQUIREMENTS**

Offeror must meet the basic eligibility criteria specified here in Section 11, Minimum Qualifications and Requirements in order to be considered for funding.

1. Offeror must provide one (1) original and three (3) copies of the application form and all required schedules and attachments as outlined in PART I, 2.3 Proposal Format.

2. Offeror must be one of the following entities:
   a. A nonprofit organization with 501(c)(3) status, (provide proof), with a primary mission of providing shelter and services to individuals who are experiencing homelessness, including those fleeing domestic violence;
   b. A unit of general-purpose local government;
   c. A tribal government
3. Offeror must submit proof of current registration as a charitable organization with the New Mexico Attorney General’s Office, covering the fiscal year ending in 2019 or proof of exemption therefrom. Registration/verification may be obtained at https://secure.nmag.gov/coros/. Verification should be in the form of the first page of the “NM Charitable Organization Registration Statement.”

4. Offeror must be in “good standing” as of the date this RFP was issued. In order to be in good standing, Offeror must not have “suspended,” “debarred” or HUD’s Limited Denial of Participation status conferred upon it by MFA and/or other funding sources. Offeror must provide a print screen from www.sam.gov and https://www5.hud.gov/ecpcis/main/ECPCIS_List.jsp documenting search for Offeror’s name and executive director’s name, as proof of compliance. The search must be dated within 30 days of the proposal date.

5. If Offeror is a nonprofit, Offeror must submit a letter of support from the unit of local government where the shelter is located. The letter should include:

   a. Endorsement of the Offeror’s proposal to MFA; and
   b. The letter must be dated no more than 180 days prior to the proposal date; and
   c. The letter must be signed by a local government official authorized to sign such a letter from the city, town, village or tribe in which the program activity will take place; and
   d. For activities that will take place in unincorporated areas, the county is the unit of local government. The letter must specifically endorse the project/activity, showing approval by the county official authorized to provide it.

MFA will accept proof that certified letters were sent from the Offeror to the unit of local government notifying the city, town or county in which EHAP services are proposed to be provided.

6. Offeror must provide one copy of an independent Certified Public Accountant (CPA)’s auditor’s report (audit) conducted in accordance with Government Auditing Standards (GAS). The GAS audit will include an independent auditor’s report on the following: 1) financial statements; and 2) internal control over financial reporting and compliance. If Offeror receives $750,000 in federal funds, a Single Audit is required pursuant to 2 CFR 200. The following types of audit findings may disqualify Offeror from funding:

   ♦ Repeat and unresolved audit findings or any pending investigations.
   ♦ If Offeror has received greater than $750,000 in funding and the single audit did not meet the requirements of 2 CFR 200.500-520.
   ♦ For Single Audit, no proof of federal audit clearinghouse submission (FORM SF-SAC) and, if governmental entity, proof is not included of current audit submission to the Office of the New Mexico State Auditor.
   ♦ If referenced in audit as a separate communication, no submission of management response letter and/or management response to concerns noted in the management letter.
   ♦ If any findings, no submission of management response to findings.
7. Local public bodies (housing authorities, local governments) must conduct annual independent financial audits by a certified auditor that has been approved by the New Mexico State Auditor’s Office and is on the State Auditor’s list.

8. Offerors that did not receive EHAP funds from MFA in PY 2019-2020 must provide either an audit to the above standards or an independent CPA’s review of financial statements.

9. Offeror must provide proof of insurance coverage, through a Commercial General Liability Insurance policy, as outlined in Section 3.4, Responsibility of Offerors.

10. Offeror’s Certification must be signed by an authorized official (form provided, Section 15, RFP Forms) and submitted with application.

11. Offeror’s Reputation Certification must be submitted in which Offerors must describe any material, current or pending litigation, administrative proceedings or investigations that could impact the reputation or financial viability of the agency (form provided, Section 15, RFP Forms).

12. Offeror must list all funding sources, to include the amounts received from each entity, for the last two years.

13. Offeror must provide the most recent monitoring reports from all funding sources verifying that Offeror is in good standing with all funders.

14. Offeror must submit evidence of coordination with other targeted homeless services in the form of Memorandum of Understanding (MOU), letters of coordination/agreement and contracts.

15. Offeror must provide an Executive Summary with application (not to exceed 2 pages).

16. Offeror must provide their agency’s Mission Statement with application (not to exceed 1 page).

### 12 EVALUATION CRITERIA

MFA will award performance agreements to Offerors whose proposals score the highest with respect to the evaluation criteria. **Applications with an overall score below 60% will not be considered for funding.** Final award decisions will be made by MFA’s Board of Directors.

In New Mexico cities with a population below 60,000, the following applies: **For shelters located within 70 miles of another shelter serving a similar category of homelessness, (i.e., domestic violence, adult homeless, or youth homeless), the Offeror with the highest overall score will be funded.**

Recommendation:
Approve Commissioners for the Eastern, Northern, and Western Regional Housing Authorities.

Background:
Per SB20 Section 5.11-3A-6 / Regional Housing Act, Powers of Regional Housing Authority, Recommendations for Board of Commissioners appointments are required to be reviewed and approved by MFA’s Board of Directors prior to being recommended to the Governor.

In 2019, HB505 amended SB20 changing the requirement for Regional Housing Authorities to have a minimum of seven members on their boards. Each of the seven members must be a resident of the service territory of the Housing Authority and no more than two of the seven members can be a resident of the same county. This replaces the requirement to have a commissioner representing each county of their service territory.

The threshold requirements for Commissioners of Regional Housing Authorities are that the candidates have expertise and experience in areas such as housing construction, real estate, architecture, law, banking, housing finance, business, property management, accounting, residential development, public housing programs, community development, social services or health care.

Discussion:
The Boards and Commissions Department of the State of New Mexico requested that MFA provide updated information on all of the Commissioners currently sitting on the Regional Housing Authority boards so that updated background checks could take place and the terms of each of the Commissioners could be established. In addition, MFA’s Board of Directors requested that staff provide an update on the overall status of the Boards of each of the Regional Housing Authorities. (copy attached as Exhibit A)

The chart below contains MFA’s recommendations for Commissioner approvals for each of the Regional Housing Authorities. Upon Board approval, the recommendations will be submitted to the Boards and Commissions for processing.
Nicole Sandoval-Belt and Donna Vigil were just approved in October of 2019 however their terms will expire in July of 2020. Therefore, we are requesting that through this process they be re-approved because it could take several months for the Boards and Commissions to complete the process.

RE: Recommendation for appointments to Northern Regional Housing Authority Board of Commissioners

Dear Governor Lujan-Grisham:

The Legislature of the State of New Mexico, during the 2009 Legislative Session, enacted Senate Bill 20 (Laws of New Mexico 2009, Chapter 28) amending the Regional Housing Law 11-3A-20 NMSA 1978, to re-define the activities of the regional housing authorities and to mandate that the Mortgage Finance Authority ("MFA") provide financial and operational oversight of the Regional Housing Authorities.

As required with the Act, Section 5. 11-3A-6, Powers of Regional Housing Authority in Board of Commissioners, Appointment of Board of Regional Housing Authorities and Terms, all recommendations for appointment as commissioners are to be forwarded to and reviewed by MFA prior to recommendation to the Governor. Attached, please find letters of interest and resumes for Mr. Steve Brugger, Ms. Jolene Slowen, Ms. Donna Vigil and Mrs. Sandoval-Belt.

The threshold requirements for commissioners of regional housing authorities are that commissioners have expertise and experience in areas such as housing construction, real estate, architecture, law, banking, housing finance, business, property management, accounting, residential development, public housing programs, community development, social services or health care.

Mr. Steve Brugger has over 25 years of development and planning experience and he currently serves as the Executive Director of the Los Alamos Housing Partnership, Inc. which is a non-profit affordable housing organization that builds, renovates and sells affordable housing and operates a rehab program and down payment assistance program.

Ms. Jolene Slowen has worked with the State of New Mexico, Local Government Division DFA since 2013. She served as the Community Development Bureau Chief where she oversaw strategic planning, directing, coordinating, and managing the daily activities of $120 million in Community Development Block Grant (CDBG) federal funds, $22 million in Neighborhood Stabilization Program (NSP), and over 1,000 legislative projects totaling $110 million.
Ms. Donna Vigil has a degree in Master of Business Administration with a Concentration in Management from the New Mexico Highlands University. She has been a Professor at New Mexico Highlands University since 2008. Her primary focus is in principles of Financial, Managerial, and Governmental and Not for Profit Accounting.

Mrs. Nichole Sandoval-Belt has a B.A. degree in both Psychology and Criminology. She is currently a licensed Mortgage Loan Originator in NM and Colorado. She has 18 years' experience working in Governmental and public environments, including 6 years as a Realtor and 8 years in the mortgage finance industry.

Please feel free to contact me with any questions.

Sincerely,

Jay Czar

To Whom It May Concern:

Assisting New Mexico families realize homeownership is my passion. Having the opportunity to work cooperatively with MFA over the past several years in helping New Mexico families build security through homeownership is a source of pride. It is for this reason that I am writing. I feel my own personal values and expertise in real estate, housing finance, accounting, and social services would be a benefit to the MFA Board of Commissioners. I am very excited at the opportunity to further my involvement with MFA and am honored to be considered to represent San Juan County in such an important capacity.

As a lifelong New Mexico resident with degrees and experience related to social services I can provide specific insight into the struggles that our state faces. I have worked exclusively in the real estate industry via sales and finance for over a decade and would be instrumental in providing advisory skills to the Board as related to real estate and housing financing. To demonstrate my expertise in housing finance in 2018 I closed 176 residential mortgage loans for over $25,000,000 utilizing FHA, VA, USDA, Section 184, Conventional and Jumbo financing. At times these first mortgage loans were coupled with down payment assistance, MFA bond loans, gifts, grants &/or secondary financing if necessary (adhering to HUD, VA, RD, fannie mae, freddie mac, &/or private investor guidelines as well as federal, state, and local laws). Despite New Mexico have a lower median house price I was recognized in the top 30 Loan Originators for Cornerstone Home Lending, Mountain West Region. This expertise coupled with my experience in social services allow me unique insight of how finance and stability relate to social problems and not only the impact homeownership can have but possible ways to make it happen. I have been praised for my ability to work collaboratively and develop solutions that benefit all parties. I strongly believe in financial literacy and personally teach/speak at first time homebuyer education seminars/classes as well as provide counsel to my past and present customers individually. Lastly, community development thrives on success therefore there is also a need to encourage development of the middle class. I aim to provide a path for the first-time homebuyers on ways they can continue to build security and the role that homeownership can play.

My core values include integrity, teamwork and focus on the consumer. I am grateful for the services provided by MFA and would hold great regard for the current and potential benefits it offers New Mexicans. I believe very strongly in accountability and integrity and will represent San Juan County on the Board of Commissioners accordingly. I am confident you'll find me a good fit for your needs on the Board of Commissioners. I look forward to hearing from you and thank you for your time.

Sincerely,

Nichole R. Sandoval-Belt

To Whom it May Concern,

I am submitting this letter of interest in the NRHA Commissioner Board. My interest is to remain as a board member representing Cibola County.

I feel that my experience the last six years on the board as well as the last fourteen years as the CEO of the Community Outreach Center makes me a good candidate to continue to serve on the board. The Outreach Center works with the homeless of Cibola County by providing hot meals and assisting with providing information for available resources.

I appreciate the opportunity to further the goals and focus of the NRHA and Housing New Mexico. Thank you for the consideration and opportunity to work to serve the people.

Sincerely,

Dear Ms. Bell,

In the interest of institutional stability, I would like to continue my participation as a Northern Regional Housing Commissioner. I work for and represent Rio Arriba County. I have been on the board since the authority’s inception in 2009 or 2010.

I have served as Rio Arriba County’s Health and Human Services Director for twenty-five years; in that time I have addressed policies and built services that impact the significant substance abuse epidemic we are experiencing. This includes issues related to housing such as transitional living. My office provides case management for homeless individuals and families, or for those at risk of homelessness through Shelter Plus Care and other programs. I have led efforts to pull Rio Arriba’s providers into a single network for the purposes of sharing information and case management to improve client care. I am extremely familiar with the functioning of local government, with health care delivery and with the impacts of homelessness on effective care.

I hope you will consider extending my term. Thank you for your consideration!

Should I be reappointed I would represent Sierra County. I have been on the Board nine years m/l and during that time I have represented Sierra County. Additionally, I have served as the Chairman of the Board for the last five election periods. I would like to serve an additional term or as long as my health would allow especially to see through the WRHA absorption of the Lordsburg, Housing Authority.

My qualifications for serving are of course my experience gained from the last nine years as well as having an extensive background in real estate including 20 years as a full professor of real estate and finance at the undergraduate and post graduate levels of education at the University of Wisconsin, New Mexico State University and The University of Technology in Sydney Australia. Additionally, I had my own “Barrett School of Real Estate” for 10 years teaching State approved pre licensing and continuing education courses. Also, for the last 30 years I have been actively appraising all types of commercial real estate through out NM, TX and AZ including public housing and tax subsidized housing.

Please see the attached summary Vita. Thank you.

Respectfully Submitted

Qualifications
As my resume shows I have the qualifications needed to act as Commissioner for Socorro County; I am an achiever, a self-motivator, a hard worker, and I have computer experience. I have been working on my Bachelors in Health and Wellness for the past four years and have been able to integrate five graduate classes within my bachelors, which sets me up to have my bachelors in July of 2013 and my masters by May of 2014, looking to become a Certified Health Educator Specialist through CHES. I feel very comfortable working as a Team and coordinating with other agencies within the area.

Experience
2012-present
Community Support Worker – working with the severely mentally challenged out in the community to retain safe and secure housing and income as to be able to live from day to day and function within a normal life style. Support the individuals to maintain medications and become more mentally stable so they can enjoy life to the fullest possible and to learn to deal with depression and anxiety through mediation and other natural resources possible.

2011 – 2012
Worked the Fatherhood Program within Socorro Mental Health. Helped to organize a presentation for the program to raise funding for the program to continue. Reached out to young non-custodial Dads to help them retain employment, get higher education if needed and get reconnected with their children.

2010 – 2011
Casa De Esperonza - Rehabilitation Coordinator, worked with the severely mentally challenged within group settings on life skills, giving them support to overcome obstacles that may keep them from moving forward.

2006 – 2010
Self Employed / elderly care giver, working with elderly on a daily basis. Helping them with all daily activities, also volunteering at Casa De Esperonza and teaching a nutrition class one night a week.

1997 – 2006
Pinon Cattle Co., Weed New Mexico
Business Manager
- Office manager for 87 section ranch / absentee owner
- Cared for all finances and payroll
- Looked over building projects on the ranch
- Collaborated with key contractors to introduce new feed program, giving an increase in calf crop and the over all health of cattle and grass lands.
- Worked with young adults (high school age) teaching ranch duties and appreciation for the way of life, therefore giving the ranch a better reputation.
- Excellent working relationship with Forest Service and New Mexico Game & Fish to manage the grass range and wildlife, therefore being able to keep a good number of cattle and also increasing the wildlife number at the same time.
- Served as a highly successful spokesperson, which generated a good relationship with the surrounding neighbors and other business contacts.
- Exceeded productivity goals through development / implementation of feed program, outfitting, dude ranching and lodging. Thus increasing calf crop by 50% and the over all income of the operation by 70%

MFA Board Contracted Services/Credit Committee
February 19, 2020

Contracted Services/Credit Committee -
(HOME, Risk Share, Housing Opportunity Fund (HOF), Loans, Contracts)

Rebecca Wurzburger (Chair)
Attorney General, Hector Balderas
Rosalyn Nguyen Chafey
The Contracted Services/Credit Committee (“Committee”) is a standing committee of the New Mexico Mortgage Finance Authority (“MFA”).

PURPOSE:

The purpose of the Committee is to maintain the prudent and effective management and oversight of MFA’s contractual, lending, federal/state program sub-recipient selection, and program oversight functions ensuring compliance with applicable laws, risk assessment systems and policies and procedures.

ORGANIZATION:

As per the MFA Bylaws, the Committee is structured as follows:

- Committee shall be composed of a maximum of three voting members, appointed by the Chair of the Board of Directors, including appointment of a Committee Chair, subject to confirmation by the Board of Directors.
- Members of staff may enter into discussion, but shall have no vote.
- Regular meetings of the Committee shall take place no less than 3 business days prior to the Board meeting scheduled for that month, unless required due to scheduling conflicts or emergency committee business.
- There may be some instances due to timing limitations whereby Committee business may go to the Board without Committee recommendation; however, this should be the exception and not the rule.
- The Committee agenda will normally be set by staff; however, the Committee Chair will manage the Committee and its meetings.
- The MFA Executive Director or his/her designee shall maintain the record of the Committee’s actions which will be attached to the minutes of the next regular meeting of the MFA Board along with accompanying reports.
- Special meetings of the Committee may be called at any time and place by the chair of the Standing Committee, or by the Chair of the Board of Directors.
- The Committee must have a quorum, comprised of the majority of the Committee members, present either in person or by means of telephone or other electronic device permitting audio communication, for a vote to be taken on a recommendation to the full Board of Directors.
- There shall be no proxy voting except on behalf of the ex-oficio members of the Authority.
AUTHORITY AND RESPONSIBILITIES:

The Committee shall be responsible to review and provide recommendations to the Board of Directors for matters including certain loan awards, loan increases, loan term modifications, foreclosures and loan write offs. Additionally, the Committee recommends non-financial service providers Requests for Proposals (RFP), Notice of Funding Allocations, RFP selection and awards, as well as recommendations related to federal/state program sub-recipient selection. The Committee also recommends activities related to oversight of the Regional Housing Authorities and the HUD Consolidated Plan and Action Plan. Other duties may be delegated to the Committee by the Board of Directors Chair as required. Committee recommendations shall be consistent and in alignment with the detailed Delegations of Authority which is included as Exhibit E in the MFA Policy and Procedures Manual.

The recommendation of the Committee shall not deter review and determination of the matter by the full Board of Directors. A majority vote of the Committee is required to approve recommendations. The Committee may not take any action which shall establish policy for MFA or make any decision which shall be binding upon MFA.

Proposed Year 3 Amendments
MFA Vision, Mission and Core Values

VISION

All New Mexicans will have quality affordable housing opportunities.

MISSION

MFA is New Mexico’s leader in affordable housing. We provide innovative products, education and services to strengthen families and communities.

CORE VALUES

Responsive
To meet New Mexico’s needs, MFA optimizes resources, cultivates partnerships and makes our programs accessible.

Professional
MFA upholds high personal and professional standards. We comply with regulations and ensure prudent financial stewardship.

Dynamic
MFA is a dynamic place to work. Our employees are our strength. We embrace diversity and provide opportunities for personal and professional growth.
Message from the Executive Director

Jay Czar

In the face of uncertainty for affordable housing funding and programs, Our strategic plan, *A Bold Path Forward*, focuses on bolstering resources to accomplish our mission, leading the way in addressing New Mexico’s unique affordable housing needs and improving internal systems to support our work. Even in potentially challenging times, MFA will continue its affordable housing mission and make it more robust and successful in meeting the needs of all New Mexicans.

Our strategic planning process identified several themes, described at right, which drove the strategic initiatives in this plan. In the context of goals and objectives that reflect our core affordable housing work, the strategic initiatives will be updated annually to reflect progress made, changes to conditions and trends and risks identified through our annual enterprise risk management process.

Affordable housing funding is under threat and diminishing. MFA continues to be proactive in developing new resources, efficiencies, business opportunities and financial innovations, as well as fostering creative partnerships.

New Mexico’s rural areas are struggling and require unique approaches. MFA will evaluate ways to serve more rural residents with mortgage products and nimble development financing and to strengthen our partners throughout the state.

Along with the US, New Mexico is at risk of losing many affordable rental homes. MFA is working to provide financial options and rehabilitation financing, and to make all rental properties financially sustainable over the long term.

New Mexico’s high poverty rate and low incomes indicate a great need for financial education. Our strategic initiatives focus on better educating MFA borrowers so that they can enjoy stability, sustain homeownership and build wealth.

Significant changes in the workforce and in technology are on the horizon. MFA is working to create a technology platform that supports innovation and future growth and to foster a dynamic, diverse work environment that supports our mission.
The MFA Planning Process

MFA updates its strategic plan every five years. The planning process is led by MFA’s Strategic Management Committee.

Housing Needs Assessment

In 2016, MFA prepared an assessment of affordable housing needs to inform the strategic planning process.

Interviews and SWOT Analysis

In January-March 2017, interviews were conducted with board members and each MFA department. The Strategic Management Committee translated the interview results into an analysis of strengths, weaknesses, opportunities and threats (SWOT).

Housing Trends Series

MFA hosted five speakers who spoke to staff on MFA finances, fair housing and trends in housing policy, multifamily and single family housing.

Enterprise Risk Management

MFA’s Strategic Management Committee participated in an enterprise risk management exercise based on the SWOT analysis. The Committee prioritized risks and developed mitigation strategies for the strategic plan.
Goal Statements

1. Respond to New Mexico’s affordable housing needs.

2. Ensure prudent stewardship of affordable housing resources.

3. Strengthen affordable housing partners.

4. Provide robust technology solutions.

5. Foster a dynamic work environment.
Like all housing finance agencies, MFA administers affordable housing programs in accordance with its enabling legislation and program requirements. MFA seeks opportunities to improve and develop products, programs and processes to address our state’s unique needs.

**Goal 1** Respond to New Mexico’s affordable housing needs.

**Objective 1**
Strengthen and improve existing MFA products and programs.

**Objective 2**
Develop specialty products to meet demand and community needs.

**Objective 3**
Increase awareness of affordable housing and MFA products and programs.

Goal 3  Strengthen affordable housing partners.

MFA relies heavily on its partners in a rural and geographically large state like New Mexico. Yet partners face many challenges that may hinder their ability to succeed. MFA is committed to helping its partners build capacity, prosper and provide all New Mexicans access to affordable housing.

Objective 1
Expand access to MFA products and services in underserved and high-need areas.

Objective 2
Help partners realize strong organizational, technical and financial capacity.

Objective 3
Provide resources and processes that strengthen partner capacity and program effectiveness.

Strategic initiatives:
- Outreach to increase HOPWA referrals
- Strengthen the capacity of new service providers
- Comprehensive approach to homeownership expansion in rural areas

Strategic initiatives:
- Maintain situational awareness with Regional Housing Authorities
- Local government technical assistance
- Tribal government technical assistance
- Specialized training for key service providers
- Service provider training program
- Property manager training program
- Developer training

Strategic initiatives:
- Lender training videos
- Streamlining of the affordable housing plan process
- Online applications
- Implement LIHTC compliance

Recommendation:
Staff is recommending the approval of the 2020 Series B Single Family Bond Resolution in the amount of not to exceed $110 million to provide funding for new single family mortgage loans.

Background:
Prior to FY2018, MFA relied mainly on the to be announced ("TBA") market to fund new single family mortgage loans. The bond market has improved to the point where it is now more advantageous to fund first-time homebuyer single family mortgage loans with tax-exempt bond proceeds than to utilize the TBA market. Starting with fiscal year 2019, single family mortgages for first time homebuyers were solely funded with bond proceeds.

During fiscal year 2019, MFA issued four bond issues which were used to originate new loans totaling approximately $299.9 million and two bond issues totaling $48.9 million which were used to refund five prior bond issues. MFA closed its’ first single family bond issue for fiscal year 2020, namely, 2019 Series F on November 5, 2019. The 2019 Series F issue was used to originate approximately $120 million of new single family mortgage loans. MFA sold its second single family bond issue for fiscal year 2020, namely 2020 Series A on January 22 and will close the issue on February 20. The 2020 Series A issue will be used to originate approximately $70 million of new single family loans.

It has been MFA’s practice to keep a Board approved single family program bond resolution in place to allow staff to respond to market conditions as needed in order to provide beneficial funding executions for the program.

Discussion:
The 2020 Series B bond issue is anticipated to be in the $90-$110 million range based on the current level of loan reservations since bond proceeds will be used to originate these new single family mortgage loans. Given Board approval of the bond resolution, the 2020
Series B bond issue will be the third bond issue for fiscal year 2020. MFA anticipates selling bonds and closing in the April to May time frame depending on actual reservation activity and bond market conditions.

Summary:
To authorize future bonding activity and to ensure MFA can be responsive to market conditions, Staff is requesting approval of the 2020 Series B Single Family Bond Resolution in the aggregate amount of not to exceed $110 million. MFA anticipates providing funds for $90-$110 million of new single family mortgage loans.
CERTIFICATE REGARDING THE RESOLUTION
OF THE AUTHORITY

I, the undersigned, Isidoro Hernandez, Secretary of the New Mexico Mortgage Finance Authority (the “Authority”), DO HEREBY CERTIFY that: (i) the annexed Resolution was duly adopted by the members of the New Mexico Mortgage Finance Authority at a meeting thereof duly called and held on February 19, 2020, at which meeting a quorum was present and acting throughout; (ii) the annexed Resolution has been compared by me with the original thereof recorded in the minute book of the Authority and is a correct transcript therefrom and of the whole of said original; (iii) the annexed Resolution has not been altered, amended or repealed; and (iv) the annexed Resolution is in full force and effect on the date of this Certificate.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the Authority this 19th day of February, 2020.

A RESOLUTION

OF THE NEW MEXICO MORTGAGE FINANCE AUTHORITY (THE “AUTHORITY”) AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND SALE BY THE AUTHORITY OF ITS SINGLE FAMILY MORTGAGE PROGRAM CLASS I BONDS, 2020 SERIES B IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED $110,000,000; AUTHORIZING THE EXECUTION AND DELIVERY BY THE AUTHORITY OF A SERIES INDENTURE, A BOND PURCHASE CONTRACT, AN OFFICIAL STATEMENT, INVESTMENT AGREEMENTS, AND OTHER DOCUMENTS REQUIRED IN CONNECTION THEREWITH; AND AUTHORIZING THE TAKING OF ALL OTHER ACTIONS NECESSARY TO THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED BY THIS RESOLUTION; AND RELATED MATTERS.

WHEREAS, the Legislature of the State of New Mexico (the “State”), at its 1975 regular session, adopted Chapter 303, Laws of New Mexico, 1975, known and cited as the Mortgage Finance Authority Act, being Sections 58-18-1 through 58-18-27, inclusive, NMSA 1978 and Section 2-12-5, NMSA 1978, as amended (collectively, the “Act”); and

WHEREAS, there was created by the Act, a public body politic and corporate, separate and apart from the State, constituting a governmental instrumentality known and identified as the “New Mexico Mortgage Finance Authority” (the “Authority”), said Authority being created and established to serve a public purpose and to act for the public benefit by improving the health, safety, welfare and prosperity of the State and the general public; and

WHEREAS, the purposes of the Authority are to provide decent, safe and sanitary residential housing to persons of low or moderate income, and the Authority has determined that it will serve and fulfill the purposes for which it was created by the establishment of a program to finance the purchase of mortgage loans made by eligible mortgage lenders for the financing of residential housing; and

WHEREAS, the Authority is authorized by the Act to purchase and contract to purchase, mortgage loans, or securities backed by mortgage loans, originated by mortgage lenders to finance residential housing for persons of low or moderate income under rules adopted by the Authority; and

WHEREAS, in furtherance of its Single Family Mortgage Program and to finance the purchase of housing by persons of low or moderate income within the State, it has been deemed appropriate and necessary that the Authority authorize the issuance of its Single Family Mortgage Program Class I Bonds, 2020 Series B (or such other or additional series/title designation(s) as the Authority may determine and including the issuance of MBS pass through program bonds) (the “Bonds”), and prescribe and establish conditions and other appropriate matters with respect to the issuance of the Bonds; and
WHEREAS, the Bonds shall be special obligations of the Authority payable solely from and secured by a lien on the proceeds, moneys, revenues, rights, interest and collections pledged therefor under a General Indenture of Trust dated as of November 1, 2005, as heretofore supplemented and amended (the “General Indenture”) between the Authority and Zions Bancorporation, National Association, as trustee (the “Trustee”); and

WHEREAS, there has been presented to the Authority at this meeting a proposed form of Bond Purchase Contract relating to the Bonds (the “Purchase Contract”) to be entered into among the Authority, and any of RBC Capital Markets LLC, Raymond James & Associates, Inc. (including any of their successors) or any other purchasers to be named therein (collectively, the “Underwriters”), a form of 2020 Series B Indenture (the “2020 Series B Indenture” and collectively with the General Indenture, the “Indenture”) to be entered into between the Authority and the Trustee, and a form of a Preliminary Official Statement to be used by the Underwriters in marketing the Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE NEW MEXICO MORTGAGE FINANCE AUTHORITY, AS FOLLOWS:

Section 1. The Authority has determined and hereby determines that the supply of funds available in the private banking system in the State for residential mortgages is inadequate to meet the demand of persons of low or moderate income for residential mortgage financing, and that financing the making of loans by the Authority will alleviate such inadequate supply of residential mortgage money in the State’s banking system.

Section 2. All other action heretofore taken (not inconsistent with the provisions of this resolution) by the Authority and by the officers of the Authority directed toward the issuance of the Bonds are hereby ratified, approved and confirmed.

Section 3. The 2020 Series B Indenture in substantially the form presented to this meeting is in all respects authorized, approved and confirmed. The Chair, Vice Chair, Executive Director, Secretary, Deputy Director of Finance and Administration and the Assistant Secretary of the Authority are hereby authorized to execute, attest, seal and deliver the 2020 Series B Indenture in the form and with substantially the same content as presented to this meeting for and on behalf of the Authority with such alterations, changes or additions as may be authorized by Section 16 hereof.

Section 4. The mortgage loans shall be pooled and serviced pursuant to the Mortgage Loan Sub-servicing Agreements or Master Servicing Agreements each previously entered into or to be entered into by the Authority. The Chair, Vice Chair, Executive Director, Deputy Director of Finance and Administration or Secretary are hereby authorized to execute and deliver the Mortgage Loan Sub-servicing Agreements or Master Servicing Agreements (to the extent not previously executed and delivered) and any necessary supplement thereto to reflect the terms of the mortgage loans attributable to the Bonds, and the inclusion of any other loans approved by the governing board of the Authority thereunder.
Section 5. Employees of the Authority designated by the Chair, Vice Chair, Executive Director, Deputy Director of Finance and Administration or Secretary are hereby authorized to give notice of the availability of funds from this issue (if applicable) and to enter into, execute and deliver program documents for and on behalf of the Authority.

Section 6. For the purpose of providing funds to finance the purchase of housing by persons of low or moderate income within the State, all as authorized under the Indenture, the Authority is authorized to issue the Bonds which shall be designated New Mexico Mortgage Finance Authority “Single Family Mortgage Program Class I Bonds, 2020 Series B” (or such other or additional Series/title designation as the Chair, Vice Chair, Executive Director, Deputy Director of Finance and Administration or Secretary shall determine). The Bonds shall be issued only in fully registered form.

Section 7. The Authority hereby declares its intention to reimburse itself from all or a portion of proceeds of the Bonds for expenditures for costs of making the mortgage loans. The Authority intends that the Bonds are to be issued and the reimbursements made, by the later of 18-months after the payment of the costs or after the project financed by each respective mortgage loan is placed in service, but in any event, no later than three years after the date the mortgage loan was made.

Section 8. The Authority hereby authorizes the issuance of the Bonds in the aggregate principal amount of not to exceed $110,000,000. The Bonds shall mature on the dates and in the principal amounts and shall bear interest at rates and payable all as provided in the Indenture, within the parameters set forth in Exhibit A hereto.

Section 9. The form, terms and provisions of the Bonds and the provisions for the signatures, authentication, payment, registration, transfer, exchange, redemption, and number shall be as set forth in the Indenture. The Chair, Vice Chair, Secretary and Assistant Secretary of the Authority are hereby authorized to execute, attest and seal by facsimile the Bonds and to deliver the Bonds to the bond registrar for authentication. All terms and provisions of the Indenture are hereby incorporated in this resolution.

Section 10. The appropriate officials of the Authority are hereby authorized to execute and deliver to the bond registrar the written order of the Authority for authentication and delivery of the Bonds in accordance with the provisions of the Indenture.

Section 11. The Bonds shall be sold to the Underwriters at a purchase price of not less than 100% of the principal amount thereof plus accrued interest in accordance with the provisions of the Purchase Contract. Pursuant to the Purchase Contract the Authority may agree to pay an underwriting fee to the Underwriters in an amount not to exceed 1.0% of the principal amount of the Bonds. The Chair, the Vice Chair, the Executive Director, the Deputy Director of Finance and Administration or the Secretary, of the Authority are hereby authorized to execute and deliver the Purchase Contract in substantially the form and with substantially the same content as presented at this meeting for and on behalf of the Authority with such alterations, changes or additions as may be authorized by Section 16 hereof. The Chair, Vice Chair, Executive Director, Deputy Director of Finance and
Administration and Secretary are hereby authorized to specify and agree as to the principal amounts, interest rates, maturities, purchase price and underwriting fee with respect to the Bonds for and on behalf of the Authority by the execution of the Purchase Contract and the Indenture, provided such terms are within the parameters set by this resolution.

Section 12. The Chair, Vice Chair, Executive Director, Deputy Director of Finance and Administration and Secretary are hereby authorized to approve the distribution of a Preliminary Official Statement (in substantially the form presented to the Authority at this meeting) and an Official Statement in substantially the form of the Preliminary Official Statement, with modifications determined at the time of the sale of the Bonds and to execute and deliver for and on behalf of the Authority an Official Statement in connection with the sale of the Bonds.

Section 13. The Trustee and the Chair, Vice Chair, Executive Director, Deputy Director of Finance and Administration or Secretary are hereby authorized to enter into investment agreements (“Investment Agreements”), in form and substance satisfactory to the Authority. Any and all proceeds of, and investment income attributable to, the Bonds may be loaned to or deposited from time to time pursuant to the Investment Agreements for the periods, and at the interest rates, specified therein.

Section 14. The appropriate officers of the Authority, including without limitation the Chair, Vice Chair, the Secretary, the Assistant Secretary, the Executive Director and Deputy Director of Finance and Administration are authorized to take all action necessary or reasonably required by the Bonds, the Indenture, the Mortgage Loan Sub-servicing Agreement, the Master Servicing Agreement and the Purchase Contract to carry out, give effect to and consummate the transactions as contemplated thereby and are authorized to take all action necessary in conformity with the Act.

Section 15. Upon their issuance, the Bonds will constitute special obligations of the Authority payable solely from and to the extent of the sources set forth in the Bonds and the Indenture. No provision of this resolution, the Indenture, the Bonds or the Purchase Contract shall be construed as creating a general obligation of the Authority or as incurring or creating a charge upon the general credit of the Authority. No provision of this resolution or of the Purchase Contract, the Indenture or the Bonds shall be construed as creating a general or special obligation of the State of New Mexico or any political subdivision thereof.

Section 16. The appropriate officials of the Authority, including without limitation the Chair, the Vice Chair, the Secretary, the Assistant Secretary, the Executive Director and the Deputy Director of Finance and Administration are authorized to make any alterations, changes or additions in the Indenture, the Bonds, the Purchase Contract, the Preliminary Official Statement, the Official Statement, the Investment Agreements, the Mortgage Loan Sub-servicing Agreement, the Master Servicing Agreement or any other document herein authorized and approved which may be necessary to correct errors or omissions therein, to remove ambiguities therefrom, to permit the inclusion under the Indenture of any other loans approved by the governing board of the Authority, and maintain the expected rating on the Bonds, to conform the same to other provisions of said
instruments, to the final terms established for the Bonds (within the parameters established herein), and the final agreement with the Underwriters, to the provisions of this resolution or any resolution adopted by the Authority, or the provisions of the laws of the State of New Mexico or the United States.

Section 17. The operating budget of the Authority is hereby amended to provide funds to pay costs relating to the issuance of the Bonds, any negative carry costs, or other related expenses in amounts not to exceed amounts specified in Exhibit A. Such amounts may also be taken from the Surplus Fund under the Indenture. The Authority may also allocate mortgage backed securities and/or cash held by the Authority (in the Surplus Fund or otherwise) to provide additional collateral for the Bonds.

Section 18. If any provisions of this resolution should be held invalid, the invalidity of such provision shall not affect the validity of any of the other provisions of this resolution.

Section 19. The appropriate officials of the Authority, including without limitation the Chair, the Vice Chair, the Secretary, the Assistant Secretary, the Executive Director and the Deputy Director of Finance and Administration are hereby authorized and directed to execute and deliver for and on behalf of the Authority any or all additional certificates, documents and other papers and to perform all other acts they may deem necessary or appropriate in order to implement and carry out the matters authorized in this resolution and the documents authorized and approved herein.

Section 20. After any of the Bonds are delivered by the Trustee to the Underwriters and upon receipt of payment therefor, this resolution shall be and remain irrepealable until the principal of, premium, if any, and interest on the Bonds are deemed to have been fully discharged in accordance with the terms and provisions of the Indenture.

Section 21. No member or employee of the Authority has any interest, direct or indirect, in the transactions contemplated by the Authority and authorized by this resolution.

Section 22. All resolutions of the Authority or parts thereof, inconsistent herewith, are hereby repealed to the extent only of such inconsistency.

Section 23. This resolution shall become effective immediately upon its adoption.

Board update – Real Estate Owned Portfolio

**Background:** MFA staff is providing this annual Real Estate Owned (REO) portfolio update to the Board for FY 2020. MFA’s REO portfolio typically consists of single family and multi-family loans that MFA services and has foreclosed. Most of the single family, first mortgage loans that MFA services were originated through our Partners program. As a result, most of the properties that come into our REO portfolio are Partners loans. MFA attempts to work with the borrowers and Habitat for Humanity affiliates to avoid taking these homes back.

MFA is also including in this report first mortgage loans which could become MFA owned REO due to the inability to convey to HUD at foreclosure sale by MFA’s sub-servicer Idaho Housing Finance Association (IHFA). In these situations, we are unable to recover expenses and losses usually due to poor condition of the property or FHA has declined to insure the loan for losses. When FHA declines to insure a loan, the lender would normally repurchase the loan, however when a lender is no longer in business MFA via IHFA must repurchase and service the loan.

**Discussion:** As of December 31, 2019, MFA holds no Real Estate Owned (REO) properties.

In FY 2019 staff reported four anticipated single family REO properties and disposition of one first mortgage, sub-serviced by IHFA. Actual REO properties were three and combined losses were $132,047.23.

In FY 2020 MFA is anticipating completion of foreclosure on six single family residences, four are Partner loans with combined principal balances of $189,558.68. This unpaid principal balance includes Home program subordinate loans. MFA staff also anticipates two first mortgages sub-serviced by IHFA with a balance of $387,762.68. These may become MFA REO properties with disposition anticipated later in FY 2020.

Of the four Partners loans mentioned above, two were constructed by White Sands Habitat for Humanity (HFHWS) fka Otero County Habitat for Humanity, one constructed by Habitat for Humanity of Taos (HFHT) and one was constructed by Habitat for Humanity of San Miguel County (HFHSMC). MFA is in communication with HFHWS and HFHT to discuss options within the program to reduce losses to MFA. HFHSMC was dissolved which will result in MFA absorbing potential losses on REO located in Las Vegas, New Mexico.
As mentioned above, MFA anticipates two sub-serviced first mortgage loans completing foreclosure sale in FY2020 which may become an MFA REO. The loans were uninsurable by FHA and required lender repurchase, however the lender is no longer in business.

As foreclosure sales take place and properties are brought into the REO portfolio, MFA’s exposure will be analyzed based on appraised value and approvals to move forward with disposition will be obtained according to policy. The MFA Board will receive updates from time to time via the Staff Action report.

Summary: As of December 31, 2019, MFA has no properties in our REO portfolio. MFA anticipates as many as six foreclosures later in FY 2020 which will create an REO portfolio. MFA’s exposure will be assessed when MFA takes possession of the property, but staff anticipates the financial impact to MFA will not be material.

Q1 On Target MFA closed 2019 Series F single family bond issue in Q1 and achieved the 18 basis points target for bond administration fees.

Benchmark: 13
Realize profitability of 0.5% on TBA executions

Q1 On Target As of 12/31/19, TBA profitability was 1.11%

Benchmark: 14
Maintain servicing fee yield at an average of 0.41% of the purchased servicing portfolio

Q1 On Target As of 12/31/19, servicing fee yield was .40%.

Benchmark: 15
Earn 100% base fees for PBCA contract

Page 2/5  Printed 02-07-2020
Q1 On Target  All PBCA tasks were completed this quarter as required by the contract, and 100% of the base fees were earned.

Benchmark: 16  
Yield a collection rate of 95% or greater for compliance monitoring fees  
Q1 On Target  Invoices for compliance fees were processed and sent out this quarter.

Benchmark: 17
Meet commitment and expenditure requirement of 95% of grant funding  
Q1 On Target  The commitment and expenditure rate as of 12/31/19 was 100%.

Benchmark: 18  
Generate at least $500,000 in contributions through the state affordable tax credit program  
Q1 Met  Q1 donations totaled $1,457,471. This includes donations made to four existing state tax credit awards and donations made to the Charitable Trust.

Benchmark: 19  
Evaluate at least one new business model or financial tool  
Q1 Met  In Q1, a volume cap preservation program was evaluated and implemented to allow MFA to recycle volume cap from prior bond issues. With this new tool, based on single family mortgage production estimates, it is anticipated that MFA will have access to an additional $40mm in annual volume cap for the program. This tool will be used on an ongoing basis in managing the single family mortgage program.

Benchmark: 20  
Increase funding by at least one new source  
Q1 Met  In the first quarter of FY 2020, MFA executed a grant agreement with the U.S. Department of Housing and Urban Development to obtain $1 million for the Veterans Home Rehabilitation and Modification Program. This is the second competitive allocation MFA has won for this program.

Goal 3 - Strengthen affordable housing partners.

Benchmark: 21
Expand services of at least one program to an underserved area of the state  
Q1 On Target  In Q1, MFA staff met with Waterstone Mortgage and Clayton Homes to get background on a possible land and manufactured home program for underserved rural areas, in particular Dona Ana County.

Benchmark: 22  
Assist at least 10 local or tribal governments with affordable housing plans, implementation or programs
Assisted 13 local governments as follows: The City of Espanola and Rio Arriba County, the Village of Questa and Taos County, the City of Carlsbad and Eddy County, Colfax County, and the Town of Taos received legislative funding to create or update housing plans. MFA responded to funding for housing plan inquiries from the cities of Artesia and Socorro and the Town of Clayton. MFA provided technical assistance to the Village of Los Lunas and the City of Las Cruces on issues related to certifying qualified grantees to receive donations under the AHA.

Q1  On Target As of the first quarter, MFA held three trainings, including a QAP training, Development Fundamentals training and Section 811 training.

Benchmark: 24
Improve at least three MFA processes or resources

In Q1, staff evaluated the Budget Maestro forecasting model to determine if it could provide efficiencies in MFA’s financial forecasting process. It was determined that the current model provides more value in terms of forecasting functionality which outweigh the efficiencies that would have been gained through Budget Maestro. Additionally, MFA improved servicing delinquency reporting to provide better understanding of portfolio performance and risk factors.

Goal 4 - Provide robust technology solutions.

Benchmark: 25
Maintain a low risk in semi-annual vulnerability scans

MFA’s internal and external penetration testing was completed on 12/6/2019. MFA received a RiskSense Security Score (RS3) of 757 (low risk). RS3 represents MFA’s cyber security posture, measuring risk posed by existing vulnerabilities and current potential threats. The rating range is from 300 (high risk) to 850 (very low risk).

Benchmark: 26
Maintain system availability at 99%

MFA did not experience any full system outages in Q1 and maintained system availability of 100%.

Benchmark: 27
Implement new software solutions

MFA continued work on the implementation of PowerLender with VirPack integration. Completed configuration of online Cash Disbursement Approval Process for Accounting, scheduled for implementation in Q2; this will also include a process for Servicing. Developed and implemented new web-based system for File Transfers to MFA, also added new functionality so developers can securely send project documents to Housing Development. Developed and implemented Section 811 online system to track property wait list applications.
## Goal 5 - Foster a dynamic work environment.

Construction is progressing on a number of residential projects that were announced earlier this year.

You can track those projects online through our Construction Watch interactive map, which pinpoints major local residential and commercial real estate projects.

Business First caught up with leaders for updates on some projects that were announced or broke ground in 2019. Nuevo Atrisco, a $26 million, mixed-use project, is a public-private partnership among the city of Albuquerque, YES Housing Inc., Wells Fargo, New Mexico Mortgage Finance Authority and Maestas Development Group. Nuevo Atrisco broke ground in April. Chris Baca, president and CEO of YES Housing, said the project has most of the physical structure in place. He expects the housing side to be completed by May or June and ready to be leased in six months.

Titan Development announced multifamily projects this year, including the Highlands North and Broadstone Nob Hill. The Highlands North project, a 92-unit complex developed with Maestas Development Group and Alliance Residential, broke ground in April and is expected to be completed by Q3 2020. Titan’s Broadstone Nob Hill project broke ground earlier this month. The 102-unit apartment complex is expected to be completed in first quarter 2021.

Legacy Development’s Todd Walters cited strong occupancy rates and generational trends as reasons to build more multifamily units across the state. His firm is planning three with one in the Northeast Heights, one in Santa Fe and one in Albuquerque Uptown, with the Northeast Heights location already underway with construction.

“Economically, the millennials don’t know if they want to buy and own homes. The younger generation of people, we have found, enjoy the community environment and apartment complexes, and condos bring that community-type lifestyle to these folks,” Walters told Business First last month. “These communities we are building, occupancies average in the 93 to 98 percentile on an annual basis, so it was really for us, as developers, an easy path to take.”

As of May, the Albuquerque multifamily market had a weighted occupancy rate of 95.62% with a weighted average rent of $875, while Santa Fe had an occupancy of 97.69% and average rent of $1,038, according to CBRE.
MFA to name new executive

The New Mexico Mortgage Finance Authority will soon have a new executive director.

Jay Czar, a longtime city government and business leader, announced his retirement in September from MFA. Until the successor is named and begins work for the organization, Czar has continued to lead MFA.

In an email to Business First at the beginning of December, Czar said the MFA board of directors was set to meet Dec. 18 to name his successor. A public meeting for Dec. 18 was listed on the organization’s website, with the board scheduled to take action on the executive director position.

Czar spent 13 years with MFA after 27 years with the city of Albuquerque across several positions, including director of aviation and chief administrative officer.

Before joining MFA, Czar was the vice president of marketing and governmental affairs for Lovelace Health System. Czar is a past president of the Albuquerque International Balloon Fiesta and a member of its board of directors. Business First reported on Czar’s involvement in the acquisition and creation of director.

MFA ended its fiscal year 2018 with nearly $2.2 billion in total assets—an increase of more than 3% from 2017—according to its latest audit. The organization is responsible for 30 affordable housing-related programs that include affordable housing construction, down payment assistance, homelessness prevention and assistance, housing rehabilitation and energy efficiency upgrades, according to a news release.

Business First reported on the mixed-use development Nuevo Atrisco, of which MFA is a partner, breaking ground in April on Albuquerque’s Westside. YES Housing applied for and was awarded over $10 million for low income housing tax credits to build the residential component of the project, Czar said.

Affordable Housing Projects On DP Road Slated To Begin This Month

Community Development Department Director Paul Andrus

This coming year will see a lot of building activity on DP Road. The two affordable housing projects – Canyon Walk and The Bluffs apartment complexes – are slated to begin construction.

Los Alamos County Community Development Director Paul Andrus told the Los Alamos Daily Post Friday that grading work by Bethel Developments, Inc. on the Canyon Walk apartment complex is expected to begin this month.
Meanwhile, for the Bluffs project, it is anticipated the developer will submit a site plan application to the County in early 2020 for review by staff before it goes before the Planning and Zoning Commission for approval. The developer is expected to submit a building permit application in late spring for the Bluffs and construction is scheduled to begin in November.

Andrus said the two affordable housing projects follow the same process as any other housing development; however, the Community Development Department can waive planning and building permit fees for affordable housing projects and the developer is required to provide progress updates on the project to the New Mexico Mortgage Finance Authority as well as the County.

Having two new affordable housing offerings in Los Alamos will be a real benefit to the community, Andrus said.

“In the County, there’s an acute housing shortage for housing of all types and price ranges. These will be the first new affordable housing construction projects in the County in many years,” he said.

Both apartment complexes are being developed by Bethel Development Inc. Not only will the Ohio-based company and its subsidiaries build the complexes, but also will operate and manage them. Affordable housing projects is Bethel’s sole focus. The work doesn’t stop there. Bethel also aids its renters with assistance including family support services such as case management, support groups, vocational training, life skills and more.

For its part, Los Alamos County donated the land for both projects and the New Mexico Mortgage Finance Authority granted Low Income Housing Tax Credits for each apartment complex.

Each apartment complex caters to a different demographic.

The Bluffs will be a 64-unit apartment complex geared toward senior citizens 55 years of age and older. The units will either be one or two bedrooms. Six units in the Bluffs are to be restricted to households earning up to 60 percent Area Median Income (AMI), 52 units will serve households earning up to 50 percent of AMI and six units will serve households earning up to 40 percent AMI – as calculated by the U.S. Department of Housing and Urban Development (HUD). In actual dollar amounts, a two-person household may earn up to approximately $58,000.

The Canyon Walk complex will feature 70 units in seven buildings. Units will range from one to three bedrooms. Eleven units are to be restricted to households earning up to 60 percent of the AMI, 49 units will serve households earning up to 50 percent AMI and 10 units will serve households earning up to 40 percent AMI – as calculated by HUD.
Steven Smith, a kind and gentle man, a devoted husband and father, went to be with our Lord on Friday, December 20, 2019, at the age of 69 due to cancer.

ROUNDHOUSE

An overview of what to expect at this year's 30-day session

Compiled by Robert Nott and Milan Simonich

Under the radar

Here are a few bills that may not draw as much attention but could stir debate:

Friendly overture: House Bill 70 would appropriate $300,000 for public middle and high schools to develop programs to build friendships between special-needs students and those who do not have intellectual or developmental disabilities.

Fighting hunger: House Bill 75 commits $200,000 to the state's Human Services Department to convene a task force and assess the state of hunger and malnutrition in New Mexico. The state often tops the list of states with the most number of children per capita going hungry.

Homebuying 101: Senate Bill 22 would appropriate $500,000 for the New Mexico Mortgage Finance Authority to create and implement a prepurchase education program for first-time homebuyers. Such programs are becoming more popular around the country as they teach people how to find grants and down payment assistance.

Diplomas for vets: Senate Bill 99 would authorize the state's public school system to give high school diplomas to military veterans who left school early to serve in the Vietnam War between late February 1961 and early May 1975. A recent Philadelphia Inquirer story said some 20 percent of Vietnam veterans did not receive a high school diploma when they enlisted in the military.

The trouble within

Seven Senate Democrats who hail mostly from small towns make up one of the more powerful voting blocs in the Legislature. They riled progressives last year when they voted with Republicans to keep a 50-year-old anti-abortion law intact.

Several of these Democrats also are fiscal conservatives, often viewing expenditures with the same skepticism as their Republican colleagues.

Sen. John Arthur Smith, D-Deming, is the leading opponent in the Legislature of using another 1 percent of the $10 billion Land Grant Permanent Fund to expand early childhood education. Smith voted against erasing the old anti-abortion statute, and he has opposed legalization of recreational cannabis.

He has drawn a primary opponent, as have most of the other Senate Democrats who stood with opponents of abortion. More liberal Democrats wanted the old law banning abortions to be repealed in case the U.S. Supreme Court overrules Roe v. Wade, the 1973 decision that legalized abortion.

One of the seven who voted to retain the anti-abortion law is Sen. Richard Martinez, D-Ojo Caliente. He recently served time in jail after his conviction for aggravated drunken driving and reckless driving.

Other Democrats in the voting bloc are Clemente Sanchez of Grants, George Muñiz of Gallup, Pete Campos of Las Vegas, Gabriel Ramos of Silver City and Mary Kay Papen of Las Cruces.

An eighth senator who was aligned with the group was Carlos Cisneros of Ouesta. He died at age 71 after the last session.
Here’s a primer on the upcoming session

ROBERT NOTT
SANTA FE NEW MEXICAN

Mix hundreds of legislative bills, resolutions and memorials into a 30-day legislative session designed to focus on the budget and you’ll likely come up with a recipe for some prioritizing, lots of stalling and some surprise winning bills breaking out in the final minutes.

Gov. Michelle Lujan Grisham has announced an agenda for this year’s legislative session that focuses on education, the environment, public safety and health. Here are six bills that could generate controversy, conflict or cooperation:

College for all: The governor wants to appropriates $85 million to create the New Mexico Opportunity Scholarship, which establishes a tuition-free college program. The Governor’s Office says this will benefit some 55,000 students and increase college enrollment, but critics say it could lead colleges to raise tuition and use up more money than planned. As of noon Saturday, no legislator had filed a bill proposing this measure.

Hand ‘em over: SB5 is a gun-safety measure that would give law enforcement personnel the right to seize weapons and ammunition from any citizen who may be a threat to themselves or others. A similar measure stalled in last year’s legislative session, and Senate Majority Leader Peter Wirth said he’s not sure the initiative will have enough votes to pass this year.

Everyone can vote: HJR 3 is a joint resolution, requiring a majority vote in both the Senate and House of Representatives, that would approve an amendment to the state constitution to allow voters who have not selected a party affiliation to vote in primary elections. Past efforts to move such legislation forward have failed.

Lighting up: SB 115 would legalize the use of recreational cannabis. The Governor’s Office says it will bring additional revenue into state coffers. Critics say it could backfire in a state with a serious drug and alcohol abuse problem. In the last session, a bill that would have legalized cannabis stalled in the Senate Finance Committee. Many Republicans and some conservative Democrats oppose the measure, and Wirth has said he wasn’t sure the bill would have enough votes to pass this year.

Lighting down: HB 66 would, among other things, raise the legal age to purchase e-cigarettes and other tobacco products from 18 to 21. Given President Trump recently signed federal legislation to do the same thing, this may earn the support of lawmakers in both parties this year. A companion Senate bill is expected to be filed soon.

Humming along: The governor has talked about creating a $4,500 tax credit for anyone buying or leasing an electric vehicle and a $300 tax credit for those installing an at-home charging station for an electric car. Republican lawmakers are also pushing a bill for tax credits for electric cars, so this may pass easily or get mired in partisan bickering about which plan is better. As of noon Saturday, no legislator had filed a bill proposing this measure.

Fighting hunger: HB 75 commits $200,000 to the state’s Human Services Department to convene a task force and assess the state of hunger and malnutrition in New Mexico. The state often tops the list of states with the most number of children per capita going hungry.

9 Things To Know at the Roundhouse

This year’s 30-day legislative session begins at noon Tuesday at the Capitol on the corner of Paseo de Peralta and Old Santa Fe Trail. Here are a dozen helpful hints for navigating the politics, policies and people of the place:

1. When you walk into the Roundhouse, you are actually on the second floor, where the House and Senate galleries are located. There’s ample seating areas on most days, and the cushy chairs can rival your neighborhood theater. The first floor is the basement. The third floor is where the committees meet. The fourth floor is where the Governor’s Office and the Legislative Council Service are located. Sometimes taking the stairs can be quicker than waiting on the elevator.

2. You can pick up a fresh copy of the House and Senate calendars and committee agendas every morning in the mailroom on the first floor or online at nmlegis.gov/Calendar/Session.

3. Don’t rely entirely on House and Senate calendars. The House speaker and Senate majority leader have the right to switch around the order as they see fit. The same goes for committee agendas. Sometimes a committee will hear a piece of legislation out of order as a courtesy to the sponsor who might have to rush off to another hearing. So the agenda item you thought would be first on the docket may end up in fifth place. Or visa versa. Or not heard at all.

4. Arrive at committee hearings early. Many of the committee rooms are small, so if you are following a high-profile bill, there’s a good chance the committee room will fill up quickly, and you’ll be left standing in the hall.

5. It’s legal to carry guns in the Roundhouse, so it’s possible you might see people doing just that, especially if a gun law bill is being discussed.

6. Contact lawmakers by calling the legislative switchboard: 505-986-4300.

7. One of the best ways to nab lawmakers is to approach them at their desk in the House or Senate chamber before a floor session starts or right after it ends. But you’ll have to leave when the session starts. Only legislators and staff can go on the House or Senate floor at that point. This rule is strictly enforced.

8. To make things easy on yourself, know the bill numbers of any legislation you are following. Some issues will be the subject of two or more separate bills. Knowing the bill number will help you follow its progress (or defeat) on the legislative website, nmlegis.gov.

9. If you prefer to watch the proceedings from your home or office, the floor sessions and many committee meetings are streamed live over the internet at nmlegis.gov/webcast.
Short session, but a lot of work to be done

**Legislators to watch**

The state's volunteer Legislature has 122 members between the Senate and the House of Representatives. Predicting which ones will step out and make some unexpected moves is difficult, as some have a reputation for being quiet, some for being quarrelsome, and some for being downright unpredictable. Here are three from each party to keep an eye on this year:

**Pinto will suddenly have a chance to prove whether she can be a political leader. Lujan Grisham appointed Shannon Pinto to serve the rest of her grandfather's term after he died at the age of 94 in May. Shannon Pinto, who has worked as a public school teacher, says she supports legislation to help women "and their personal health care decision" and sensible gun violence-prevention measures. She has announced plans to run for the seat when her term is over at the end of 2020, so her actions in this year's session may give voters a sense of where she stands on issues that matter to them.

Sen. Roberto "Bobby" Gonzales, D-Ranches de Taos: The longtime educator, first elected to the House in 1995, now has a chance to make a new name for himself in the Senate after the governor appointed him last month to fill the state Senate seat that had been occupied by the late Carlos Cisneros, who died in September. Gonzales' experience serving on the powerful Legislative Finance Committee, House Appropriations Committee and House Education Committee gives him insight into financial and education issues, and he's one of several Democrats pushing for a "health care for all" system in the state.

House Minority Leader Jim Townsend, R-Artesia: Democrats outnumber Republicans 46-24 in the House of Representatives. So when Townsend disagrees with Democrats, he charges his party members with using the only weapon they have: time. They attempt to debate bills until the clock runs out. With President Donald Trump vowing to take New Mexico in the next presidential election, Townsend's claim that "the people [will] rise up like never before" and support Republican lawmakers may face its first "pass-or-fail" test during the session.

Sen. William Sharer, R-Farmington: Last year the conservative lawmaker led an hourslong filibuster on the Senate floor to stop a bill aimed at shutting down the coal-burning San Juan Generating Station in the Four Corners region. His efforts failed, but he did manage to interrupt the annual House vs. Senate basketball game as many members of the Senate, still clad in basketball attire, were called back to the chamber to cast votes.

Sharer is known for barring straight into conflict with Democrats on issues he disagrees with, setting a bare-knuckles tone that is not easy to ignore or sidestep. He once brought a pyramid to the Senate chamber to mock a Democrat-led bill to allow dogs in restaurants with outdoor seating. And yet, he gets along well with some Democrats and can be persuaded to support their measures.

Sen. Mark Moores, R-Albuquerque: Another conservative, Moores often rails against government overreach and says too many regulations strangle business. But Moores will work with Democrats. He co-sponsored a bill last year to ban coyote-killing contests. Moores also is thorough in the Senate Rules Committee, which questions nominees to head Cabinet departments, as well as many boards and commissions. Poring over the fine print of bios, Moores will flag potential conflicts, such as a nominee having a state contract. He digs into these matters in a way that few other Senate Rules Committee members do.

They riled progressives last year when they voted with Republicans to keep a 50-year-old anti-abortion law on the books.

Several of these Democrats also are fiscal conservatives, often viewing expenditures with the same skepticism as their Republican colleagues.

Sen. John Arthur Smith, D-Deming, is the leading opponent in the Legislature of using another $19 billion Land Grant Permanent Fund to expand early childhood education.

Smith voted against erasing the old anti-abortion statute, and he has opposed legalization of recreational cannabis.

He has drawn a primary opponent, as have most of the other Senate Democrats who stood with opponents of abortion. More liberal Democrats wanted the old law banning abortions to be repealed in case the U.S. Supreme Court overturns Roe v. Wade, the 1973 decision that legalized abortion.

One of the seven who voted to retain the anti-abortion law is Sen. Richard Martinez, D-Ojo Caliente. He
recently served time in jail after his conviction for aggravated drunken driving and reckless driving.

Other Democrats in the voting bloc are Sens. Clemente Sanchez of Grants, George Munoz of Gallup, Pete Campos of Las Vegas, Gabriel Ramos of Silver City and Mary Kay Papen of Las Cruces.

An eighth senator aligned with the group was Carlos Cisneros of Questa. He died at age 71 after the last session.

OPINION

Low-income furnace replacement fuels peculiar debate

Sherry Robinson, All She Wrote Published 10:05 a.m. MT Feb. 3, 2020

Sometimes a bill comes through the Legislature that makes so much sense, it seems like a slam dunk.

HB 48, by Rep. Eliseo Alcon, D-Milan, is one of those bills. It would allow the state Mortgage Finance Authority to join New Mexico Gas Company in replacing old, inefficient furnaces for low-income people. The MFA would provide $2 million and the company $1 million to pay for about 1,250 furnaces.

That wouldn’t cover everybody in need, but it would save people money on their natural gas bill and dramatically reduce emissions, explained Tom Domme, the company’s vice president of regulatory affairs.

The new program would benefit poor people and the environment. It would also be good for the company and the industry. What’s not to like?

You’d be surprised.

The MFA already has a weatherization program and a strong relationship with Gas Company, said Rebecca Velarde, the MFA’s director of policy and planning, during a hearing before the House Energy, Environment and Natural Resources Committee.

The average cost of a furnace is $2,400, Domme said. The company can only provide $800; the state would provide $1,600.

In response to a question from Rep. Larry Scott, R-Hobbs, about who qualifies, Velarde said that for the weatherization program, participants must be below 80 percent of the median income in their area.

Scott asked what the estimated savings would be for a 1,500-square-foot house, and Velarde said it’s usually a few hundred dollars a year.

Rep. Joanne Ferrary, D-Las Cruces, asked, “What if people prefer a wood stove?” The proposed program doesn’t cover wood stoves, Domme said. “We find that natural gas customers want to replace with natural gas.”

Rep. Rod Montoya, R-Farmington, asked if the appropriation is for recurring money. Alcon said it depends on this year’s budget. It can be one-time or recurring appropriation.
Then Rep. James Townsend, R-Artesia, dug in. Many areas of the state lack a natural gas distribution system, he said. Could the program be used for propane? No, Domme said. “It’s strictly natural gas.”

Said Townsend, “It’s taxpayer money.” He recalled that Rep. Patty Lundstrom, D-Gallup, once said that 16% of her constituents don’t have electricity, running water or natural gas. “Shouldn’t the MFA be directing money to that?”

The MFA is self-supporting. It’s the state’s housing agency and provides financing for affordable housing, rehabilitates and weatherizes old homes, offers emergency shelter, and administers rental assistance and subsidies.

At this point in the hearing a strange thing happened. Two Democrats tried to explain to Townsend, who is House Minority Floor Leader, how this MFA-Gas Company partnership would work.

“All we’re asking is to stretch out Gas Company money,” said Alcon. “A lot of people in my district have wood stoves. We can’t cover that at this time.”

Alcon’s district includes the Navajo and Zuni reservations. He knows about wood heat. He also chairs the Legislature’s MFA Oversight Committee, which has spent months hearing about existing and proposed programs for low-income people. HB 48 is the committee’s bill, which means it’s been vetted.

Townsend wasn’t giving up. “If you’re really out to help low-income people, it would do more good to replace wood stoves than to increase furnace efficiency.”

Rep. Andrea Romero, D-Santa Fe and a member of the MFA Oversight Committee, jumped in: “This is predicated on the energy company’s participation. It’s a way for energy companies to come to the table. New Mexico Gas Company came to the table with this.”

That should have resonated with Townsend, who spent his career with Holly Energy Co., but no. “It’s taxpayer money,” he said again. “I just hate to leave people out.”

By that reasoning, if Gas Company’s offer can’t be made to fit everybody, then nobody should be helped.

Fortunately, Townsend was alone in his vote against the bill.

A TRAINING EVENT FOR
NEW MEXICO TRIBAL HOMEOWNERSHIP COALITION MEMBERS

Training for those developing and implementing homeownership programs

The Enhancing and Implementing Homeownership Programs in Native Communities curriculum delves into the components of a homeownership program — helping practitioners to determine what assets they already have in place, identify gaps, and outline concrete next steps. It explores the nuts and bolts of homeownership, including:

- needs assessments
- homebuyer readiness programming
- available mortgage products and subsidies
- land processes
- community planning
- home design and construction
- enhancing affordability

Breakfast will be served at 8:30 each morning. Training will run 9:00 – 4:00 each day.

Who Should Attend: Tribes, Tribal Housing Departments, Tribally Designated Housing Entities (TDHEs), Tribal Housing Authorities (THAs), and their local partners such as Planning and other Departments, Economic Development Organizations, Native CDFIs, and ITROs.

The need for MFA mortgage products:

MFA borrowers have an average annual income of $51,257 and purchase homes with an average price of $154,255. 25 percent are single-parent households; 48 percent are minorities.

MFA targets below market mortgage rates, and all first-time homebuyers receive pre-purchase counseling. MFA provides down payment assistance to 99 percent of its borrowers. Without these programs, many borrowers could not buy a home.

---

The need for housing development:

Only 4 percent of New Mexico’s housing units are located in apartment complexes of 20 units or more. Many of these are old and in poor condition.

50 percent of renters are cost-burdened, about half pay between 30 percent and 49 percent of their income on rent; the other half pay more than 50 percent.

---

The need for housing rehabilitation and weatherization:

New Mexico has aging housing stock. 47 percent of its homes were built before 1980; only 18.4 percent were built after 2000.

Many low-income homeowners are at risk because of health and safety hazards in their homes and pay high utility bills because they cannot afford to make energy-efficiency improvements.

---

The Need for Assistance Programs:

The New Mexico Coalition to End Homelessness estimates that 17,000 New Mexicans experience homelessness in a year. In 2017, approximately 14,000 homeless New Mexicans sought assistance at HUD-funded agencies.

Emergency assistance with rent and utilities can help people at risk of homelessness.

## MFA’s Servicing Department:

Provides servicing for over 14,000 loans with a principal balance over $366 million.

Many of the loans MFA services are for internal programs that target higher risk borrowers. MFA’s Mortgage-Backed Securities (MBS) portfolio is serviced by master servicers and our sub-servicer.

Delinquency rates in this portfolio can be benchmarked to Mortgage Banker Association averages - 4.50 percent for all loans in New Mexico and 7.33 percent for FHA in New Mexico for Quarter 2 2019.

---

## MFA’s Asset Management Department:

Monitors 274 properties and 18,036 units of housing financed by MFA, providing unit inspections and review of records and finances on a regular basis. Asset Management also supports 87 properties and 5,230 units under MFA’s HUD Project Based Contract Administrator (PBCA) contract.

---

## MFA’s Community Development Department:

Manages nine programs with 12 different funding sources and approximately 70 partners across the state. Our partners deliver housing to more than 11,000 individuals and receive approximately $10 million in funding. Monitoring is performed on a regular basis to ensure program compliance.
