

**EnergySavers Loan Program
ARCHITECT'S CERTIFICATION**

I have examined the drawings and specifications dated _____ prepared by _____
(architect) and related to the development known as _____ (project name) located
in _____ (city, state).

Based upon this examination, to the best of my knowledge and belief, these documents conform to all applicable local, state and local laws designated as the development standards for the project including, but not limited to, the Fair Housing Laws as they pertain to handicapped accessibility and adaptability, local health, safety, building and energy codes, and those requirements as set forth in the New Mexico Mortgage Finance Authority's Energy Efficiency Guidelines and Design Standards.

Based upon examination of the drawings and specifications, all items in the initial EnergySavers Loan Program application committed to including, but not limited to, Energy Efficiency Guidelines are incorporated.

Architect (S E A L)

Date

Based on the foregoing representations by the Architect, the Owner certifies that the development will be constructed in accordance with the requirements set forth above.
